

## WORK OF CONGRESSIONAL INQUIRY BROADENS

### Committee Decides to Hear Private Manufacturers

To Delve into Clothing, Cantonment Building, Food and Transportation Situation Friday by Examining Quartermaster General.

Washington, Dec. 18.—The congressional inquiry into army war preparations broadened today with the senate military committee's decision to hear private manufacturers of ordnance and ammunition tomorrow and to delve into the clothing, cantonment building, food and transportation situation Friday by examining Major General Sharp, quartermaster general.

From Representative McCormick of Illinois, who recently visited the European battle front the committee heard statements in executive session today tending to contradict testimony of Major General Crozier, chief of ordnance regarding adequacy of General Pershing's equipment, especially heavy artillery. Mr. McCormick said neither the British nor the French had enough artillery and that they were supplying Pershing only because the Americans were still worse off.

As a result of the charges of delays and shortages in the ordnance outfitting, the senate just before adjourning for the holidays, indefinitely postponed action on the nomination of General Crozier for reappointment.

The nomination was brought up by Chairman Chamberlain of the military committee which had unanimously recommended his confirmation.

Evidence supporting General Crozier's statement regarding prospects of increased production of ordnance was given by Samuel W. Loomis, vice-president of the Baldwin Locomotive company and a member of the civilian advisory committee of the war industries board in charge of munitions work. He stated that with equipment of many factories which had never before engaged in making ordnance, the supply would be adequate in the future to equip the American forces, declaring American production is greatly on the increase.

In a statement issued tonight partially summarizing his testimony before the committee, Representative McCormick said neither France nor Italy has any artillery to spare.

"The British," said Mr. McCormick, "who in proportion to their front have more guns by far than either of their Western Allies, according to their chief military authorities will not have enough guns until next spring. The guns which the French give us, they give us because the immediate necessities of our little army in France are even greater than their own."

"General Britain said to me, 'make guns. Send us steel helmets. We are grateful for the little force you have sent us. The echo of its footsteps carried hope to every hearth in France, but as it grows there must be a period when we shall be taxed to supply it. While its numbers slowly increase, you Americans, who are a great industrial people must see that this war is an industry of destruction. Send us guns, and shells, in order that we may be armed to win victories and to defend ourselves so that some day we may be able to fight by your side when at last America is ready.'"

"The Italian army," Mr. McCormick continued, "had something less than one quarter as many guns as the British and French armies combined, also there was no great difference in the length of the fronts. In Italy they suffered from a shortage of ammunition."

"If we make guns enough and transport them to Europe before the spring of 1919 we ought to win this war without terrible losses. Without the guns we shall lose the men and maybe lose the war."

"We must build for ourselves and the allies 25,000 cannon. That is the estimate of the best military opinion in Europe. But apparently we shall have produced practically no guns within a year after our declaration of war."

"It seems evident enough that we must create a department of munitions just as the French and the English have done. Time is the essence of victory and cannon are the weapons by which it must be won. We must make guns enough in time to win."

**UPHOLD THE IRISH PARLIAMENTARY PARTY**  
CHICAGO, Dec. 18.—A declaration upholding the Irish parliamentary party and charging that any Irishman or organization who seeks to embarrass any of the allied powers in the conduct of the war as committing an act of open hostility to the United States was adopted tonight by the Irish Fellowship club here, the largest Irish organization in the city. It was directed to John E. Redmond and announced the forwarding of \$10,000 as the first installment of a fund to be collected in America in support of the party.

**SUGAR SALES LIMITED.**  
St. Louis, Dec. 18.—Wholesale grocers of St. Louis were instructed by the food administration today to limit their sales of sugar to 500 pounds to each retailer every ten days. Consumers will be allowed to buy but five pounds every ten days.

**BUSINESS MAN DROPS DEAD.**  
Belvidere, Ill., Dec. 18.—Henry A. List, for 38 years in the farm implement business here dropped dead today of heart disease.

## ANOTHER GERMAN RAID ON ENGLAND

LONDON, Dec. 18.—German airplanes raided English coast towns tonight. Some of the raiders reached London where they were met with a heavy fire. Numerous bombs were dropped.

An official announcement of the raid says: "Hostile airplanes crossed the Essex and Kent coast about 6:15 o'clock. Some of the raiders reached the London district and dropped bombs. Bombs also were dropped in Kent and Essex."

"Reports of casualties and damage have not yet been received. Our guns and airplanes were both in action."

## MAKE PUBLIC APPEAL TO GERMAN-AMERICANS

### Asked to Join in Campaign to Help U. S. Win War

Appeal Made By Executive Committee of the Friends of German Democracy—Son of General Siegel President of Organization.

New York, Dec. 18.—An appeal to American citizens of German birth and descent to join its campaign for helping the United States win the war was made public today by the executive of the friends of German democracy.

Franz Siegel, son of General Franz Siegel of Civil War fame, is president of the organization.

"This is not a war on the part of America against the German nation," the appeal stated, "it is a war against a peculiar system of society and government which dominates the German people to their own and the world's undoing."

The committee declared that "a majority of the German people, if properly informed about their own government and its misdeeds will not wait until the German nation is completely crushed by force of arms, but will sooner or later rise against the kaiser and the junkers and establish a democratic government in Germany."

"President Wilson has very clearly pointed out," the statement added, "that the war must go on until the triumph of democracy is complete. This matter is no longer debatable. All American citizens of German birth or descent must now realize that they are face to face with a known fact and not with an open question. America and her allies are going to win this war against the emperor and the ruling classes of Germany."

"During the past seventy years over 5,000,000 Germans have come to America. We find that the principles for which many of our immediate ancestors, or we ourselves suffered exile, are threatened by the very powers which forced us as a people out of Germany. We must rally with our fellow Americans against the tyranny which has so long cursed the country of our fathers and which now rises as a dangerous threat against the liberty of the whole world."

"The friends of German democracy urge our German people in America by every means in their power to assert themselves on the side of right in this conflict."

## MAKES REPORT ON U. S. ARMY CAMPS

WASHINGTON, Dec. 18.—Insufficient clothing, overcrowding and bad sanitary conditions are held largely responsible for disease epidemics at Camp Bowie, Texas, Camp Funston, Camp Doniphan, Oklahoma and Camp Sevier, S. C., by Surgeon General Gorgas, in reports to Secretary Baker, made public today on the result of his inspection of the camps.

With the exception of Funston, none of the camp base hospitals has been completed, General Gorgas says, and this is handicapping the medical officers in treating patients.

General Gorgas points out that practically all the disease is brought to the camps by incoming men and recommends the establishment of observation camps for all new comers. To aid sanitary conditions he recommends that fifty square feet of floor space be furnished for each man at all camps. In some cases now only 20 feet is provided.

## SUGAR INVESTIGATION MARKED BY SHARP TILTS

WASHINGTON, Dec. 18.—Sharp tilts between Chairman Reed and Earl Babbitt, president of the American Sugar Refining company marked today's session of the senate committee investigating the sugar situation. Mr. Babbitt on the witness stand protested vigorously because the chairman would not permit him to make a statement except in answer to questions by members of the committee and charged that an attempt was being made to impugn his motives in working for the food administration.

Senator Reed said the committee was not attempting to impugn the witness' motives, but added: "We have developed from you that beet sugar prices are affected by cane sugar prices, that your company has holdings in beet sugar companies and that the International Sugar committee of which you are a member fixed prices."

## PRESIDENT RECEIVES BUTTER FOR CHRISTMAS DINNER

President Wilson received today a pound of butter for his Christmas dinner which cost \$567. It was made by Mrs. C. E. Easterday of Marble Rock, Iowa, and auctioned at a fair by the Red Cross auxiliaries to Union and Scott townships.

## CONGRESS TAKES UP RAILROAD SITUATION

### To Investigate Interstate Commission's Recommendations

Take up Work Despite the Fact That Wilson Will Present His Plans After Holiday—Investigation Will Be Under Way Before Congress Re-Assembles.

Washington, Dec. 18.—Congress got busy today on the railroad situation despite the fact that administration spokesmen gave indications that President Wilson will present his plans after the holiday recess. Although it voted down Senator Borah's proposal to forego the holiday work on the problem, the senate quickly adopted a resolution by Senator Cummins, providing an investigation of the interstate commerce commission's recent recommendations for government operation unless congress wishes to assist the roads by permitting their practical unification and giving financial assistance.

The investigation will get under way before congress re-assembles on January 3rd.

At the same time Senator Sterling of South Dakota introduced a resolution for appointment by the president of a general freight traffic director to co-ordinate transportation facilities. It was referred to the committee without action. In the house the agitation for action on the transportation situation came up in a proposal by Representative Lenroot of Wisconsin for the formation of a great government controlled corporation to provide equipment for the roads. It would be modeled after the Panama railway and shipping corporations with the government owning all the stocks, building and leasing cars and locomotives to the railroads. All the corporation's directors would be members of the interstate commerce commission except the secretary of the treasury and its general manager would be practical railroad men.

Wherever the net income of a railroad exceeds seven per cent on its invested capital the corporation would take seventy per cent of the excesses to buy equipment.

The equipment corporation, so named by Representative Lenroot's resolution, would be capitalized at \$100,000,000 at first with later extension to \$500,000,000.

In proposing the senate investigation Senator Cummins emphasized that he expected it to be constructive instead of critical and that while there was no doubt railroad facilities were inadequate he did not blame either the railroad officials or the government. The railroads he thought were not planned for a war and he believed congressional action necessary to unify them.

## GOETHALS RECALLED TO ACTUAL SERVICE

Detailed as Acting Quartermaster General to Succeed Major General Sharpe.

Washington, Dec. 18.—Major General Goethals has been recalled to active service and detailed as acting quartermaster general to succeed Major General Sharpe, detached by Secretary Baker to serve as a member of the war department's new war council.

In announcing this today, Secretary Baker also said Brigadier General John D. Barrette has been detailed as acting chief of coast artillery in place of Major General Weaver and Brig. Gen. Charles B. Wheeler as acting chief of ordnance in place of Major General Crozier. Generals Weaver and Crozier are also members of the new council.

Opposition by General Crozier for another tour of four years as chief of ordnance held up confirmation in senate today and action went over until after the Christmas holidays.

## U. S. REPRESENTATIVE RETURNS TO PARIS

Paris, Dec. 18.—Representative George H. Tinkham of Massachusetts, who was injured when an army automobile in which he was riding along the Italian front dropped twenty feet and was wrecked and arrived in Paris today. He will be a passenger on the next steamer leaving France for the United States. The American congressman who has visited the entire Italian front says he feels convinced that the Austrian advance has been definitely stopped for the winter. The Italian army he said is fighting with great courage and the high command is exercising the finest strategy. If any trouble arises in Italy it will be from the economic situation not the political.

## SEEKS MODIFICATION OF RESTRICTIONS

Washington, Dec. 18.—Louis Cabrera, special envoy of the Mexican government sent here to seek modification of restrictions upon American exports to Mexico, has departed for Buenos Aires without troubling himself to the state department. He goes to attend the so-called neutrality conference in the Argentine capital.

## NOT A CHRISTIAN SCIENTIST

New York, Dec. 18.—Alfred F. Gilmore of the committee on publication of the Christian Science Church for New York State, tonight declared Grace M. Trankla, who began suit yesterday against Clarence C. Burger to recover pay for service as a practitioner was not a Christian Scientist. Careful investigation Mr. Gilmore said has disclosed that she is not a member of the Mother Church in Boston, nor on the list of authorized practitioners.

## ON WAY HOME

A Pacific Port, Dec. 18.—Forty German embassy and consular officers from Japan, China, Honolulu, Manila and other Pacific ocean points arrived today from the Orient on a United States army transport on their way to their native country. The party, which includes women and children has been guaranteed safe conduct by the allied governments. The group was guarded by federal authorities.

## HAD NO KNOWLEDGE OF AGE

Peoria, Ill., Dec. 18.—Having no knowledge of his age and fearing to be looked upon as a "slacker," John Flowers, of Washington, Ill., registered last June. Subsequently he was called into military service and is now at Camp Dodge, Iowa. Now his wife has learned through Peoria county records that he is forty years of age.

## War News Summarized

Various reports continue to come from Russia with regard to the operations of the revolutionary and counter revolutionary forces but out of the maze it is impossible to gain an accurate idea as to which side the controversy is in the ascendancy. Meanwhile, preliminary peace discussions between the Bolshevik representatives and delegates of the Teutonic allies are in progress at Brest-Litovsk.

The German and Austrian foreign ministers are speeding toward Brest-Litovsk to take part in the parley and it probably is not outside the realm of reason to infer that the Teutonic allied representatives will not be at a disadvantage in dealing with men the caliber the Bolsheviks will have present to plead their cause.

On none of the battle fronts, except that in Northern Italy are military operations of great magnitude ensuing. Heavy snow and bad weather generally has brought the fighting almost to a standstill on the western front except for small encounters by outposts and reciprocal bombardments.

On the Italian front around Monte Solarolo, the Austro-Germans again have taken up a vigorous offensive throwing their troops against the Italians with the usual fierceness of attack disregarding the losses inflicted upon them. The Rome war office reports that the enemy in his latest attack was completely repulsed.

English east coast towns again have received a visitation from German airplanes. The raiders penetrated to London, dropping bombs. Missiles were dropped also in Kent and Sussex.

The American submarine F-1 has been sunk in a collision with her sister boat, the F-3 in American waters. Nineteen men perished in the accident. The F-3 was not damaged. Her crew was able to rescue five men belonging to the crew of her victim.

## NINETEEN LIVES LOST IN SUBMARINE ACCIDENT

### F-1 Rammmed and Sunk By F-3 In Home Waters

Heavy Fog Monday Cause of Disaster—F-3 Was Undamaged—Announcement of Accident Made by Secretary Daniels Yesterday.

Washington, Dec. 18.—Nineteen lives were lost when the American submarine F-1 was rammmed and sunk by submarine F-3 in home waters during a fog Monday afternoon.

The F-3 was undamaged and picked up five survivors of her victim. Secretary Daniels announced the disaster late today in a brief statement which gave no further details.

The survivors are: Lieutenant A. E. Montgomery, commanding officer of the F-1, New York.

Frank M. Schmittsauter, machinist, of Hills City, Tenn.

Henry L. Brown, gunner's mate, Macon, Ga.

Joseph J. Burns, chief gunner's mate, San Pedro, Cal.

John J. Stewart, ship's cook, Huron, S. D.

The list of those lost was announced by the navy department as follows:

John R. Belt, seaman, Silsbee, Texas.

Frank M. Bernard, machinist's mate, Oakland, Cal.

William L. Cartwright, seaman, Fresno, Cal.

Harry L. Corson, chief electrician, Long Beach, Cal.

James Goodman, chief gunner's mate, Lima, Ohio.

Simon Greenberg, electrician, Philadelphia.

Dudley Stough, chief gunner's mate, Vallejo, Cal.

Charles F. Vincent, electrician, Exeter, Cal.

Thomas A. Walsh, machinist mate, Hilliard, Washn.

Clyde W. Wyatt, machinist mate, Venice, Cal.

Edward E. Hall, machinist mate, Seattle, Washn.

Ray E. Scott, electrician, Vallejo, Cal.

Albert P. Smith, machinist mate, Mercede, Cal.

Guy R. Stewart, chief machinist mate, Los Angeles, Cal.

Lyman F. Lovely, machinist mate, Denver, Colo.

Ralph E. McClure, electrician, Detroit, Mich.

Duncan A. McInnes, electrician, Blain, Washn.

John P. Messange, chief machinist's mate, Philadelphia.

Grover E. Metz, machinist's mate, San Francisco.

## INVESTIGATION OF SHIPBUILDING ORDERED

### Details of Whole Situation Will Be Looked Into

Continual Re-organization of Government's Emergency Machinery for Building a Merchant Marine Culminated By Actions of Both Houses.

Washington, Dec. 18.—Continual re-organization of the government's emergency machinery for building a merchant marine culminated today in the ordering of a thorough investigation of the whole situation by the senate.

Almost at the moment Chairman Hurley of the shipping board was announcing the resignation of Rear-Admiral Harris as general manager of the emergency fleet corporation and the appointment of Charles A. Piez, of Chicago to the place, resolutions for investigation were being introduced in both houses and heated charges of "red tape," "inefficiency," "a crime" and other hot phrases of denunciation.

Action came on the resolution introduced by Senator Harding of Ohio, who denounced the board's continuing difficulties as "an interminable tangle of red tape."

With haste rarely shown, the senate ordered the inquiry, and Chairman Fletcher of the commerce commission called the committee to meet Thursday to arrange its procedure.

It is more than likely that the whole inside story of the shipping board's progress beginning with the celebrated Former Chairman Denman and General Goethals will be laid bare.

The keynote of the demand for investigation to which there appeared to be no dissent from either side in the senate was the necessity for building ships if the nation is to win the war.

Senator Chamberlain, an administration spokesman, declared the shipping board had resolved itself into a debating society and added: "Something has got to be done for nothing can be accomplished as long as there are constant changes being made in the personnel of the board."

Senator Williams, Democrat, declaring for the investigation said: "No one can close his eyes to the fact that we as a nation have not done our full part in this war."

Senator Lewis, the Democratic whip, declared officers of the shipping board would welcome the investigation because it would show who was responsible for the conflicts in the organization.

## \$100,000,000 FOR FARM LOAN BONDS

### Administration Bill Adopted by Senate Without a Record Vote—Measures Immediately Sent to House

Washington, Dec. 18.—The administration bill authorizing the secretary of the treasury to purchase \$100,000,000 of farm loan bonds during the next fiscal year was adopted by the senate today without a record vote after it had been amended so as to eliminate authority for a similar purchase next year.

Immediately after the vote the bill went to the house where consideration was postponed until January 3. The senate amendment to limit the purchase of farm loan bonds by the secretary of the treasury to the present fiscal year was introduced by Senator Weeks who declared that the farm loan board should stand warned that congress would not continue to provide money in emergencies like the present. Another amendment introduced by the Massachusetts senator and adopted provides that until all bonds bought by the secretary have been redeemed no loans from treasury funds in addition to those already approved shall be made by the farm loan banks except for the purpose of increasing food products.

In support of the bill Senator Shaffroth emphasized the safety of the proposition declaring it would be a great benefit to the farmers, and would encourage them to increase their crops.

"The farmers are our allies in this war just as much as our allies abroad," said Senator Nelson, "and I don't know why we should make any more distinction with them than we do with those abroad. It we want to encourage the farmers during the war here is our opportunity."

## BAKER MOVES FORWARD HIS NEW ORGANIZATION

Washington, Dec. 18.—Secretary Baker today moved forward the organization of his newly created war council by relieving from their present duties three of the five officers assigned to that body. This will leave them free to devote all their time to the council's task of co-ordinating all war department activities in such a way that the time heretofore believed to be necessary for the sending to France of an army of sufficient size to insure the defeat of Germany will be materially reduced.

## WILL VOTE ON WAR INCREASES

Chicago, Dec. 18.—Seventy-five thousand locomotive firemen on all railroads in the United States will vote tomorrow on wage increases of 10 to 40 per cent. Instructions to the firemen state that the vote "is not on the question of a strike."

## COMBATS SUICIDE

Gallop, N. M., Dec. 18.—Maria Cuevas and Silverio Silva, sentenced to be hanged Friday, Dec. 21, for murder, committed suicide in the county jail early today by hanging themselves.

## COL. HOUSE DELIVERS REPORT TO LANSING

WASHINGTON, Dec. 18.—Colonel E. M. House, who reached here last night on his return from the inter-allied war conference at Paris delivered to Secretary Lansing today his own report and those of his associates. He is staying at the white house as a guest of President Wilson to whom he made a personal report last night.

Today was the second anniversary of the marriage of the President and Mrs. Wilson and the president remained at home except for a short while in the afternoon when he went to a theater where he went to hear John McCormick sing for the Red Cross. He and Colonel House spent some time going over the situation as Colonel House found it in Europe.

## PARKS NAMED HEAD OF YARDS AND DOCKS

### Civil Engineer in Navy Nominated By President

Given Four Year Term With Rank of Admiral—Is Successor to Rear-Admiral Harris, Who Resigned as Head of Emergency Fleet Corporation.

Washington, Dec. 18.—Charles W. Parks, civil engineer in the navy was nominated today by President Wilson to be chief of the bureau of yards and docks for a four year term with the rank of rear-admiral.

Mr. Parks will succeed Rear-Admiral Frederick R. Harris, detached from that position to become general manager of the emergency fleet corporation which position he now has resigned. What disposition is to be made of Admiral Harris was not announced.

In making Mr. Piez general manager of the fleet corporation and confirming his full authority over the shipbuilding program, the shipping board retained him also as the corporation's vice-president.

Rear-Admiral Harris was designated as general manager of the emergency fleet corporation which position he now has resigned. What disposition is to be made of Admiral Harris was not announced.

The shipping board accepted Admiral Harris' resignation, Chairman Hurley announced when the general manager insisted that the officers of the fleet corporation be moved to Philadelphia and asked immediate action on a request for the setting aside of \$12,000,000 for housing for shipyard workers, without waiting for a decision by the fleet corporation's board of trustees to decide.

Shipping board officials said tonight the ship building program was in good shape and that nothing was to be feared in a congressional investigation.

The senate today received from President Wilson the nomination of Civil Engineer Charles W. Parks, of the navy to succeed Admiral Harris as chief of the bureau of yards and docks. Admiral Harris, when relieved from duty with the fleet corporation will be assigned to duty of the navy.

Explaining the reasons for delay in acting on the Admiral Harris' housing suggestion officials said a general housing plan was being worked out in co-operation with the council of national defense and the war and navy departments.

## SMALLPOX REPORTED IN SOUTHERN ILLINOIS

SPRINGFIELD, Ill., Dec. 18.—Edward Hart, supervisor of field forces of the state department of health sent into the southern part of Illinois to investigate an epidemic of smallpox, reported today that the cases were confined for the most part to Franklin, Saline and Williamson counties.

The report which was sent to Dr. C. St. Clair Drake, director of department said that the three physicians and one nurse who accompanied him were assigned to the three counties and were giving attention to both enforcement of quarantine and investigation as to the source of infection.

No statement was forthcoming as to the number of cases of disease.

## "OLD FASHION" XMAS DINNER ENDORSED

WASHINGTON, Dec. 18.—The "old fashioned" Christmas dinner was endorsed tonight by the food administration.

"Turkey, goose and vegetables, on which Americans dined at Christmas according to ancient custom," said the statement, "are the very things the food administration wants them to eat as they conserve wheat, red meats, fats and other needed war foods."

"Fittingly enough this Christmas falls on meatless Tuesday the day on which no red meats are to be eaten. Serving the old time Christmas dinner on that day could not be more appropriate."

## NEW MAYOR FOR BOSTON

Boston, Dec. 18.—Andrew J. Peters, formerly assistant secretary of the Treasury today was elected mayor of Boston, defeating Mayor James M. Curley, his nearest opponent by approximately 9,000 votes, based on unofficial police figures. The tickets were non-partisan.

## OFFER \$60,000 PURSE.

Little Rock, Ark., Dec. 18.—A purse of \$60,000 which would be turned over to the American Red Cross was offered here tonight for a fight between Jess Willard and the winner of the Fulton-Tate fight here on Christmas Day. The proposed fight would be staged on March 16 or 18 in an open air arena and would be scheduled for twenty rounds.

## BAKER EXPLAINS ARMY REGULATIONS

### Letter Sent Marshall in Response to Senate Resolution

Points Out That Distinctions of Rank in the Army Imply no Social Distinction and are Solely in the Interest of Military Discipline.

Washington, Dec. 18.—In response to a senate resolution asking whether there are war department rules and regulations to prevent social intercourse between officers and men of the army, Secretary Baker today wrote Vice-President Marshall that distinctions of rank in the army imply no social distinction and are solely in the interest of military discipline.

"In response to the resolution," the secretary said, "I submit for the information of the senate of the United States the following paragraph of army regulations in regard to the relationship between officers and enlisted men as the only rule or regulation now existing relative to this matter:

"Superiors are forbidden to injure those under their authority by tyrannical or capricious conduct or by abusive language. While maintaining discipline and the thorough and prompt performance of military duty all officers, in dealing with enlisted men, will bear in mind the absolute necessity of so treating them as to preserve their self respect. Officers will keep in as close touch as possible with the men under their command, will strive to build up such relations of confidence and sympathy as will insure the free approach of their men to them for counsel and assistance. This relationship may be gained and maintained without relaxation on the bonds of discipline and with great benefit to the service as a whole."

"Distinctions of rank in the army are solely in the interest of military discipline. They imply no social distinction; indeed, in a country like ours the advantage of education and culture will very frequently be found in favor of the soldier; and yet it is necessary that the soldier should acquire by continuous and unvarying practice the habit of instant obedience to his superior. This is as true of officers as it is of men. The emergency of battle when every condition tends to distract men's attention and peril is on every side, safety for a command frequently lies only in its organized and co-ordinated activity and this can proceed from one inspiration alone—the instant, unquestioning compliance by all with the voice of authority. There is no time for debate, no opportunity to consider the men must have acquired their rule of action—attention and obedience to command."

**MEMBER THE ASSOCIATED PRESS**  
The Associated Press is exclusively entitled to the use for republication of all news dispatches credited to it or not otherwise credited in this paper and also the local news published herein.

It is said that 350,000 young men have enlisted in the past few weeks.

A plan to concentrate responsibility over appropriations in one joint committee of congress is proposed as a step to ward the budget system.

A bill to increase the pensions of all veterans of the Civil war to \$30 per month, regardless of the length of service, has been introduced in the house of representatives.

Col. House is very diplomatic. Asked regarding the situation in Russia he declared that, "one man's guess is as good as another" as to what may happen.

Sweden, before the war, was self-sustaining as far as food production was concerned. Now they claim a great shortage and scarcity. Has she been selling her food-stuffs to Germany?

Mrs. Harriet Upton is up-to-date. Condemning suffrage picketing at the White House, she says: "We never get anything by going after a man with a rolling pin."

It is said that in one of the larger northern cities well to do people are taking a bushel of coal at a time in their autos to their homes. The coal situation is certainly precarious but how can it be helped is the problem. We have been very fortunate here so far.

Talking of La Follette Col. Roosevelt says wisely: "Since we want to do Germany as much harm as possible I should like to give her Senator La Follette to use in the Reichstag." This would be a master stroke.

A warning against the use of saccharin in place of sugar to sweeten eatables has been issued, claiming its use cause digestive disturbances. Sugar is a food; saccharin only a chemical substitute.

The toast of this Christmas day should be to the "brave boys over there and in the cantonments," and to the tens of thousands of women who are helping to win the war by their work at home. Across the sea and in the trenches will go the cheery Christmas message of the women of America, the women of those men who are to write pages in the history of the world.

## EVASION OF INCOME TAX.

News that the United States treasury is compiling a great "Doomsday Book," listing the sources and amount of the income of everybody who ought to pay income taxes, comes as a partial answer to the campaign waged to stop income tax dodging. Now that we are at war all the arguments for publicity of tax returns are strengthened tenfold. Uncle Sam not only needs every dollar of revenue that would result from stopping income tax frauds, but will have it.

## ARMAMENT GIVEN RUSSIA.

Since the beginning of the war, the British government has, according to figures given out by official

sources, have sent military supplies to Russia as follows: Six hundred and ninety-nine guns, 4,500,000 rounds of artillery ammunition, 1,763,000 rounds of small arms ammunition, 700 tons of explosives, 2,257 machine guns, 503 tractors, 1,900 lorries, 3,658 motorcycles, 151 airplanes and 432 airplane engines. All of which may now be used against us by the German forces, thro the peace with Russia dictated by the kaiser.

## PEACE ONLY WITH VICTORY.

Roused by having been called the "kaiser's twin brother," Col. Roosevelt has started a war of his own against President Thompson of the Ohio state university, to whom the remark is attributed. The ex-president laughed at Thompson's story that he (Roosevelt) had once told the kaiser that the United States army could beat the world, and concluded by giving as a slogan the sentiment, "Peace only by an overwhelming victory." Col. Roosevelt's heart is surely in the right place.

## SUPPORTED BY THE PRESIDENT.

Knute Nelson, senior United States senator from Minnesota, who is a Republican, in his campaign for reelection has the formal and unqualified support of President Wilson, because of the executive's desire to have so staunch an American and so well-informed a man as Senator Nelson kept where he is as long as possible. The incident is interesting as showing the abolition of party distinction in the president's mind as he girds himself and the nation for its task. Senator Nelson is one of the most picturesque and individual of the senators, and a man whose influence for many years with the Scandinavian-Americans of the states of Wisconsin, Minnesota, North and South Dakota, has been more powerful than that of any other man. He is a native of Norway and arrived in the United States when a young man.

## DAILY CONSERVATION.

Are you conserving your coal supply or are you wasting that most precious substance—the black diamonds which are so important for winning the war? asks the Illini.

Do you know that if a faucet leaks so slightly that the stream breaks in to drops within two inches you are wasting over 50 gallons of water every 24 hours? One such leaking faucet will add \$1.15 to your quarterly water bill. Coal was burnt to pump every gallon of water either used or wasted.

An average electric lamp left burning all night will run up a bill of about five cents. It does not take many lamps around the house burning a few unnecessary minutes every day to raise your monthly lighting bill an appreciable amount. Do you realize that not only is your money wasted, but that coal, that vastly important sinew of war, is wasted as well?

What kind of a check draft or damper have you on your furnace? When the house gets too warm do you simply throw open the windows? Most of us keep our house too warm. Each degree rise in temperature costs more than the preceding degree. Warm the house to the right temperature and see that no coal is wasted by overfiring this point. The proper firing of your furnace can be made to save a very noticeable amount of coal. Do you shake a lot of coal through the grate and shovel it out with the ashes? The United States, it is estimated, wasted seventy-five million tons of coal in 1916. If you do any of the above things you are helping in the waste for 1917. Every pound of coal wasted helps the enemy.

Your bank account may be able to stand a swollen water bill, an increased electric bill and an augmented coal bill but the country cannot afford to have you waste the fuel involved in any of these careless practices.

We are short, tremendously short on transportation facilities. The es-

timated waste in coal last year would require 1,500,000 fifty-ton cars to move it. Are you increasing the car shortage by wasting fuel directly or indirectly? Every person in Jacksonville can contribute to this coal conservation. Turn out your lights, don't waste heat and do your part to help win the war.

Rippling Rhymes  
By WALT MASON

## BLEAK DECEMBER.

December always makes me sad, for then the climate's mostly bad, and if a-motoring one goes, he'll freeze, his whiskers and his nose. Uncertain is December's mood; her conduct hints that she is stewed. Her changes are a thing of dread; you cannot plan two hours ahead. The sun may rise as bright as brass, and promise putting up much grass. You cry, "Oh, what a lovely day! I'll get my car and scorch away, and breathe some crisp refreshing air, which is abundant everywhere." And when you've gone nine miles or four, the sky clouds up, you hear a roar, and then a howling storm appears, to freeze your side boards and your ears. Next morning there is snow to burn, it's deep wherever you may turn. Then rapture in your bosom swells, "Now for a sled and string of bells," you cry, "and eke an old buff mare, and we'll go sleighing here and there!" You rig up sled and bells and steed, and dash away at frightful speed, and then there comes a summer thaw, the blameworthy you ever saw. The snow's reduced to grimy flood, the sled is sticking in the mud, and when the snow is melted down, and you are hoofing it to town, a storm comes up with shriek and din, to freeze your handgrips and your chin.

## THIS DATE IN HISTORY

December 19, 1846—Thompson Campbell, Esq., resigned the office of Secretary of State.

## CANDY FOR THE SOLDIERS

There is no more welcome gift for the soldier boys than a box of our Johnston's or Park & Tilford's chocolates. These boxes should be sent at once to insure Xmas delivery. Remember we pay the express.

MULLENIX & HAMILTON

FOUND NEW YORK  
PAPER OF OLD DATE

L. G. Magill Has Copy of Commercial Advertiser Published Long Ago.

In looking thru some old papers recently Len Magill found a time worn copy of the New York Commercial Advertiser bearing date of Monday evening, Oct. 2, 1797. It has four pages of 5 columns each and is devoted quite largely to the publication of legal advertisements, but there is some foreign news which has special interest now in view of the great changes which time and the war have brought.

These foreign dispatches are from Milan, Vienna and Paris. One advertisement calls attention to the stage lines between Albany and New York and also the service which extends up into Vermont. Six thousand acres in Genesee county is offered for sale and the statement made that European or West Indian goods will be taken in payment. A theatre announcement states that doors will be open at half after five and curtain will rise at half after six. In this particular theatre the first part of the evening performance consisted of the presentation of Henry IV and the second part "a grand ferocious pantomime ballet," called "The Death of Captain Cook," with the original music and accompaniments by Mon. Rochelot.

There are numerous advertisements of the landing of schooners and other craft, mostly in connection with cargoes offered for sale. The brig Calliope was soon expected from Jamaica with the following goods for sale to be shown at the Jones wharf: 87 puncheons rum, 450 bags black ginger, 38 bags white ginger, 34 bags of cocoa and 3 bags of nutmeg. There are enough advertisements of Scotch whiskey, port wine, rum and other liquors to suit the taste of even the wettest resident of Peoria. The old paper is really a relic of great interest.

## MANY DISAPPOINTED

They thought the bargains in Everything Musical would last always, but were very much disappointed to find the articles they wanted were sold to other purchasers. Don't delay if you wish to save money on strictly high grade Everything Musical at J. Bart Johnson's Quit-Business sale.

## THE SOCIAL SERVICE LEAGUE

Attention is called to the report of the meeting of the social service league which appears in another column. This worthy organization is one of the best in the city. It is of especial importance that there be a general clearing house for the gifts of all willing to aid the poor and needy. Indiscriminate charity is of very doubtful utility. In the past when there was no organization some families would receive several times as much as they could use and others would go empty. All who are generously inclined send whatever you have to Miss Weller and it will be wisely used.

J. BART JOHNSON

MEETING OF SOCIAL  
SERVICE LEAGUE

Encouraging Reports and Good Work Being Accomplished by the Organization—Case Committee Reports.

The Social Service League met last evening in the public library building with Pres. H. A. Perrin in the chair. Formal, routine business was transacted and then the ever faithful and capable Miss Weller, made her report of work being done.

Many donations of clothing have been received, sorted and distributed where it would do the most good. Groceries have been given 27 families; coal to seven; clothes and bedding to 23 families or persons; 34 pairs of shoes have been given to worthy ones.

A special donation of \$25.00 from the Elks was acknowledged with gratitude. Thanksgiving collection in the churches \$25.00, and two subscriptions, one of \$20.00 and another of \$5.00 from friends desiring their names not mentioned.

There has been much interest shown in making Christmas happy for certain worthy families; several have been taken care of and some more yet await the generosity of any willing to give. Miss Weller said she had never known a time when there was so much feeling and cheerfulness in giving. Several Sunday schools are coming forward in the work. Mrs. E. P. Cleary was elected chairman of the case committee for another year.

While many have done good work special mention is due Mrs. Keith Montgomery and Miss Marion Fairbank. It is also eminently proper to speak of the fine executive ability of Prof. Perrin and his admirable work as leader and organizer.

Mrs. C. H. Russell was chosen to fill a vacancy in the board of directors.

There is at present a special need for two stoves, either cook or heating. C. H. Story, chairman of the soliciting committee reports that the canvass for funds not yet complete and are hoped for and the management will be thankful for any voluntary subscriptions that may be handed in.

## Case Committee

At the regular meeting of the Case Committee of the Social Service League held Monday afternoon a number of interesting matters were discussed. It was announced that two of our Sunday schools had voted to expend their Christmas charity fund thru or under the direction of the League. This means that they will be sure their money is wisely spent and that there will be no duplication. At this season it is hoped that there will be plenty of Christmas cheer for all our poor but it would be unfair for one child to be boundlessly supplied and another altogether forgotten. Most of the Sunday schools have also contributed to the Christmas tree for the kindergarten children who will all receive useful gifts, toys, and "eats."

The Y. W. C. A. at the Woman's College recently entertained twenty five poor children at a Christmas party. The names of the children were obtained from a number of the Case Committee and this committee has also furnished State Street Ladies Aid society with a list of names of children whom this society has undertaken to supply with clothing and other Christmas gifts. The Social Service League is thus to some extent realizing its ideal—that of serving as a clearing house for all our charities.

At Monday's meeting several members were detailed to attend to various cases. A ton of coal for one family was promised by one of our churches, two stoves are badly needed and also underwear for several women and children. Two new union suits were furnished a hard working man last week. This man had been doing farm work all last summer's summer. Fourteen children and the open air school were supplied with shoes, recently one lonely old woman was taken to the county farm and many other cases taken care of. The League knows of women who would be glad to get plain sewing to do. Several families in which the father is ill need assistance and a number of delinquent children were reported. The problem of delinquent children (usually named delinquent parents) has been the most serious one encountered by the case committee this winter. Miss Weller, as probation officer, has a number of children under observation now who will probably be sent away from undesirable homes. Two colored children have been placed in good hands quite recently. The number of unemployed here is more than usual this year but so long as sickness, ignorance and neglect endure we shall surely have the poor always with us.

**PIANO BARGAINS**  
The following used upright pianos, traded in on players—ranging from \$25.00 and upward:

Kurtsman.  
Kimball.  
Hinsie.  
Farrand.

## RECEIVED WORD OF FATHER'S DEATH

Mrs. Orville Adkisson of Grove street received word yesterday of the death of her father, Dr. V. S. Hamilton, which occurred at Roseville Tuesday afternoon at 3:15 o'clock. Mrs. Adkisson will leave for Roseville Thursday to attend the funeral. Dr. Hamilton was past 80 years of age and had been in poor health for some time. A general breaking down was the cause of death.

FRANKLIN HOMEMAKERS  
CIRCLE HELD MEETING

Met Tuesday Afternoon with Mrs. Katie Scott—Young People of Franklin will Present "The Good Fellow," Friday and Saturday Evenings for Red Cross Benefit.

Franklin, Dec. 18.—The Homemakers Circle held an interesting meeting Tuesday afternoon with Mrs. Katie Scott. The circle had a Christmas tree for the children of the allies. On the tree was placed many garments that have been made in recent months by members from castoff clothing. These garments will be sent to the children of the allied countries.

Mrs. Jack Rodgers of Waverly spent the day with her daughter, Mrs. Audie Beerrup.

Mrs. Grace Harney entertained a small company of friends at 6 o'clock dinner at her home Tuesday in honor of Mr. and Mrs. Glenn Harney of Waverly.

F. S. Patterson was in Jacksonville Tuesday to see Dr. J. M. Elder who is seriously ill at Passavant hospital. Dr. Elder is somewhat improved tho he is still in a serious condition.

The remains of M. R. Blodgett who passed away at the home of his daughter, Mrs. H. C. Dawson in Canton arrived here today and were taken direct to Franklin cemetery for burial. Brief services were held at the grave in charge of the Rev. J. N. Jerman.

Deceased was born in New Hampshire but came to Illinois when a young man and for many years resided in Franklin. His wife died six years ago and he went to Canton where he has since made his home with his daughter. He has been an invalid for several years.

The young people of the community will present "The Good Fellow" a pleasing play, Friday and Saturday evenings for the benefit of the Franklin auxiliary of the Red Cross. The play Friday evening will be presented in Marquette hall and on Saturday evening in Olinger's opera house.

OPEN EVENINGS TILL  
CHRISTMAS

Hillier's store, corner East State and Square, will be open evenings till Christmas.

THE VALUE OF A PIANO  
TRUCK

What was done today by use of a truck would have been a marvel to the transportation of a year ago. Yesterday there were pianos and players delivered that were sold during the day before at the J. Bart Johnson Quit-Business sale. One to Woodson, one close to Ashbury church, one to Ashland and one to Litterberry, aside from two in the city. The public regrets to see J. Bart go out of business. But it sure is a healthy indication to see good pianos such as he has always sold going into the best homes of this vicinity. If you wish a good player or piano at a sacrifice sale like this, it's sure your good fortune to go see for yourself.

## OPEN EVENINGS

Our store will be open evenings until Christmas.  
RUSSELL & THOMPSON

COME ON WITH YOUR  
RABBIT STORIES.

John Hegarty of this city who is visiting Frank Seitz near Franklin went hunting with Burley Keys last Saturday. Mr. Hegarty writes that they took a team and sled and by 6 o'clock had 97 rabbits. The men then went to a timber and captured three raccoons and two opossums. Mr. Hegarty expected to remain there until today and if he did there probably is a famine in rabbits in that locality.

## MILITARY WATCHES

Another invoice of military watches, ranging in price from \$12.50 to \$25. Also the cheaper grades in Ingersolls.  
SCHRAM & BUHRMAN

WILL TAKE PRISONERS  
TO CHESTER

In the circuit court Tuesday Judge Smith passed sentence on men found guilty of various charges and they will be taken to Chester penitentiary today by Sheriff Grant Graft, with B. D. Davenport and John Graft as deputies. The men who will go are George Price, Elza Hayes, McKinley Harrison, Myron Corbridge and Samuel Keyes. All of them were found guilty of charges for which they will serve indeterminate sentences in the penitentiary.

THE BEST PEANUT  
Is the Jumbo

The best place to buy is at Schrag-Cully Coffee Co's. New crop is in. They're fine. Fresh roasted daily.

BUYS CHURCH STREET  
RESIDENCE PROPERTY

John N. Ward recently sold his residence property on North Church street to T. E. Cockin of Orleans neighborhood. Mr. Cockin and family will take possession of their new home at an early date. Mr. Ward is disposing of his residence property and household goods because Mrs. Ward and his daughter are now in Florida and will probably remain there for some time to come.

## REGISTRANTS ACT SLOWLY

Several attorneys yesterday commented upon the fact that comparatively few registrants have thus far sought advice in filling out the questionnaire. The young men should remember that the time for filling out these papers is limited and that if there is a great rush during the last few days of the time allowed under the law, some of them will be unable to secure the services of attorneys. The wise thing to do is to fill out the questionnaire promptly.

## WILL ORGANIZE BASKET BALL LEAGUE

At a meeting held at the Y. M. C. A. Tuesday evening plans were formulated for the reorganization of the Y. M. C. A. Sunday School basketball league. The league played a schedule last winter and some exciting contests were staged.

Representatives were present Tuesday evening from the following Sunday schools: Centenary, Central Christian, Grace and State Street. Another meeting will be held Wednesday evening December 26 at which time the personnel of the league will be determined and a schedule will be outlined. It is proposed to have the opening game on Monday evening, January 8 at 7:30 o'clock in the Y gymnasium.

Paul Goveia of Bloomington is visiting at the home of his mother, Mrs. Josephine Goveia on Doolin Avenue, for a few days.

**For Solid Silverware see RUSSELL & THOMPSON**

**CRIFTH'S POISE MADE "INTOLERANCE" POSSIBLE**

That D. W. Griffith is the possessor of an unusual faculty of controlling and directing large groups of players, or, in the parlance of the studio, "mobs," is evidenced in this master producer's gigantic spectacle, "Intolerance," which comes to the Grand today. In one of the battle scenes between Cyrus and his Persians hordes and Belshazzar, ruler of the Babylonians, Mr. Griffith, in his final instructions to the warriors told them to come to a dead stop and let their weapons slide slowly from their grasp. "Do not throw your weapons to the ground, but let them slip easily out of your hands," was the director's command. "Now remember to do as you are told," was his final injunction as the camera began to turn and the scene was on.

All went smoothly until the time arrived for the soldiers to disarm. Then, instead of letting them drop easily to the ground, as had been their explicit instructions, more than three-fourths of the "army" threw their weapons viciously from them. With a quiet smile Mr. Griffith patiently repeated his orders. After this scene had been retaken seven times it was enacted to the director's satisfaction.

This is by no means an isolated case. Consider that one hundred and twenty-five thousand people were rehearsed and used in "Intolerance," and you can readily realize that patience is not only an asset but an absolute essential in directing productions of the magnitude of "Intolerance."

HOSPITABLE RECEPTION  
PLANNED FOR JACKIES

Will Be Entertained at Breakfast, Dinner and Supper—A Day of Patriotism and Music.

As usual, Jacksonville people are responding generously in making plans for the entertainment of the Jackies band here Thursday. The Elks soon after the coming of the band was known, decided to entertain the musicians at breakfast at the Elks club room. This patriotic action is quite in line with the example set by Elks in other cities.

Inner will be served the visitors at the Y. M. C. A. building under the auspices of the Ladies' auxiliary of Trinity church. At 5:30 members of the faculty and students of the Woman's college will serve supper to the young men at the college.

Carl H. Weber, as chairman of the Morgan county committee, has arranged a program for the day which will keep the Jackies busy and the people of this city and county will certainly have a day of music and of patriotism. The principal public meeting will be held at Central Christian church at 2 p. m., when there will be a concert program and Mr. Julian S. Nolan of Chicago will make an address and tell the story of Thrift Stamps and what the government hopes to accomplish thru them.

**A Busy Day Planned**

Following will be the program for the day:

8:35 Arrive on Wabash.

Informal reception at depot by delegation of citizens.

Parade of business district.

9:00 Breakfast—Elks club room by Elks' lodge.

10:30 Parade to high school.

11:00 Concert—David Prince gymnasium.

12:00 Dinner—Y. M. C. A. by Ladies auxiliary.

1:30 Parade to Christian church.

2:00 Grand concert and speaking—Central Christian church.

4:00 Parade to Illinois Woman's College.

4:15 Concert in Music hall of Illinois Woman's College.

5:00 Supper at Illinois Woman's College by faculty and students of college.

6:05 Depart on Wabash.

**Fine Drill Squad Too**

Accompanying the band will be a drill squad from the Great Lakes Naval Training station. That these men were selected from 18,000 men in training at the station is clear evidence that they are finely trained, and certainly the public will be vastly interested in seeing this drill work. The band of 40 pieces and the drill squad the colors guard and sextette of vocalists, will reach Jacksonville at 8:35 over the Wabash tomorrow morning.

They will be accompanied by Mr. Nolan, who is a member of the band firm of John Burroughs & Co. of Chicago. He is a volunteer worker and is accompanying the band on this trip to tell the public some of the facts about the war savings stamps. Mr. Nolan is said to be a speaker of unusual force. He campaigned for the Liberty Loan in Wisconsin and made addresses in a large number of cities.

**All Are Experts**

Members of the Jackies band were selected from a great group of musicians by John Philip Souza and have been rehearsing under his direction. The men are proficient with both band and orchestra instruments and the patriotic concert programs here will be of a most inspiring kind. The selections promised are varied and the public is assured selections that are sure to delight and enthrall them. The sextette of vocalists includes men of exceptional musical ability. They are all qualified to hold high salaried positions but chose to engage in this really great work of helping the government in war times. None of the boys in the Jackies band are more than twenty years of age. They are all volunteers who have had at least months of training in their work. Everybody is looking forward to Thursday's programs.

**Military Fountain Pens. SCHRAM & BUHRMAN**

**BIRTHDAY SOCIAL TODAY.**

The December birthday social of the Woman's Relief Corps will be held this afternoon with Mrs. J. C. Weber of 328 West Court street. The hostesses will be Mrs. Frank C. Taylor, Mrs. Julia Ferguson, Mrs. J. C. Weber and Miss Margaret Jefferson.

## FUNERALS

Terry.

Funeral services for Mrs. Ellen Terry were held from Helhel A. M. E. church Tuesday afternoon at 2:30 o'clock in charge of the pastor of the church. Burial was in Jacksonville cemetery, the bearers being James Mathews, A. J. Jones, W. A. Johnson, Frank Tate, Sherman Spencer and Marion Coen.

Cross.

Funeral services for Wesley Cross were held from Franklin M. E. church Tuesday morning at 11 o'clock in charge of the Rev. J. E. Jerman. Music was furnished by the church choir. There was a large audience present to pay a last tribute of respect to the memory of the deceased. Burial was in Franklin cemetery, the bearers being William Whalen, Lee Caldwell, William Brewer, Charles Olinger, C. J. Whitlock and W. N. Luttrell. The honorary bearers all soldiers were: John Whitlock, E. C. Jolly, Alex. Whitlock, B. Seymour and Mr. Gillion.

## DEATHS

Coults.

John Henry Coults aged 67 years, died at a private hospital in this city Tuesday at noon after an extended illness. Deceased was born near Rigston, Scott county and had spent his entire life in this vicinity. He is survived by the following brothers and sisters: R. R. Coults, of South Jacksonville, Mrs. J. A. Obermeyer of this city, Thomas Coults of Winchester, George Coults of near Merritt, Mrs. Mary Doyle residing in Missouri, Mrs. Edward Christian of near Winchester. Funeral services will be held from Rigston M. E. church Thursday morning at 10:30 o'clock with burial in Kincaid cemetery.

**Toilet sets—Obermeyer's.**

### Social Events

All Day Meeting of Strawn's Crossing Club.

The Strawn's Crossing Woman's club held an all day meeting Tuesday at the home of Mrs. Edward Armstrong. The club devoted its time to sewing for the relief of Belgian children. During the afternoon a program of Hawaiian music was given and a paper read on that interesting country. At noon an excellent luncheon was served, each member having brought some portion, thus saving the hostess a great deal of work. Among the guests were: Mrs. Thomas Boyd, Mrs. Wes Fox, Mrs. Will Arnold, Mrs. Steve Dunlap and Miss Ruth Dunlap.

Missionary Society of Grace Church Met With Mrs. Graff.

The Woman's Home Missionary society of Grace M. E. church met Tuesday afternoon with Mrs. Grant Graff on South Main street. There was a good attendance of members and the occasion proved one of pleasure and profit. Mrs. R. A. Gates led the devotion. A paper on "Child Labor" was presented by Mrs. Henry V. Stearns. Enigmas by Mrs. C. E. Williamson and Missionary Milestones by Mrs. F. B. Madden. Mrs. Graff was assisted by Mrs. E. D. Canatsey, Mrs. Sidney Jones, Mrs. Dora Lowdermilk and Mrs. Ellis.

The Deutsch Brothers Entertain for Ernest Stout.

Last night at the Peacock Inn the Deutsch Brothers entertained a party of friends at a supper given in honor of Ernest Stout who has been so long in the employ of Myers Brothers. The young man expected to go to Chicago last night and thence this afternoon for Jacksonville, Florida to begin service as sergeant storekeeper in the quartermaster's department. Mr. Stout will leave with the best wishes of numerous friends.

U. C. T. Woman's Club H'ld Meeting.

The monthly meeting of the U. C. T. Woman's club, was held Tuesday afternoon at Mrs. George Brady, 846 Grove street, Mrs. J. F. Claus was assistant hostess. A pleasant afternoon was held in knitting. After the business meeting dainty refreshments were served.

Mrs. G. R. Bradley Entertains The Phi Omega Society

Last evening at the pleasant home of Dr. G. R. Bradley on West College avenue, Mrs. Bradley entertained the members of the Phi Omega society of the Conservatory at a mid-winter picnic. At six a three course banquet was served and greatly enjoyed and then followed a musical program:

Vocal solo—Robert Shoemaker  
Violin solo—Miss Mabel Forrest-er.  
Piano solo—Willard Wesner.  
Piano solo—Miss Ellen McCurley.  
After the musical program something less formal in the shape of a white elephant party was given and all had a merry time.

Messrs. Kritch, Munger and Cochran of the Conservatory were guests of honor.

### ARMY SWEATERS. FRANK BYRNS' Hat Store.

Glenn Johnson and Abner Johnson have returned to Quincy after a pleasant visit here with their father, C. W. Johnson, at his home on West Morton avenue.

### SPORTS

CHICAGO, Ill., Dec. 18.—George "Blackout" Brown, middle-weight boxer of Chicago, was called into the national army today and will be included in the group of selectives which will leave soon for San Francisco.

CHICAGO, Dec. 18.—Charles Higgins of Tulsa, Okla., was elected captain of the University of Chicago football team for 1918 today, just as the order for base hospital unit No. 13 of which he is a member was ordered to be ready for mobilization immediately after Christmas.

CHICAGO, Dec. 18.—Charles Weeghman, president of the Chicago National League baseball club announced tonight at a dinner to Grover Alexander that he was preparing two more baseball surprises which would be on a par with his recent purchases of Alexander and Killifer from Philadelphia.

CINCINNATI, O., Dec. 18.—Harry Greb, the Pittsburgh middleweight boxer, announced here tonight that he was ready to fight Jesse Willard, the heavyweight champion, any number of rounds up to 12 and donate the receipts to the Red Cross fund.

NEW YORK, Dec. 18.—Ed "Strangler" Lewis of Lexington, Ky., defeated Dr. B. F. Roller of Seattle, here tonight in the International Catch-as-catch-can Wrestling Tournament in 33 minutes and one second.

Wladek Zbyszko of Poland defeated Joe Rogers, American, in 47 minutes and 10 seconds with a side body hold.

SPARTANBURG, Dec. 18.—Frank Moran, who is boxing instructor for the New York National Guard division at Camp Wadsworth, tonight telegraphed Jess Willard, accepting his challenge to fight any heavy-weight for the benefit of the Red Cross. Moran said he was willing to meet the champion over any distance and at any place.

**MILITARY WATCHES**  
Another invoice of military watches, ranging in price from \$12.50 to \$25. Also the cheaper grades in Ingersolls.  
**SCHRAM & BUHRMAN**

### FARMERS ASKED NOT TO SHIP HOGS

CHICAGO, Dec. 18.—A warning to farmers not to ship hogs but to hold them back for the present in order to avoid falling prices was sent out today by J. P. Cotton, head of the meat division of the food administration. In a written statement he said: "Hold back your hogs. On November 3rd I stated that the prices of hogs so far as this divisions could affect them, would not fall below \$15.50 per hundred weight for the average of the packers' drives on the Chicago market until further notice. That statement I make again.

"The packers inform me they are doing their best to aid us in that policy; but largely owing to the present difficulties in the east there is now a glut of hogs on the Chicago market and more hogs than the packers can handle.

"The farmers and commission men in this territory must help by holding back hogs temporarily especially from the Chicago market. If there is co-operation the minimum will be maintained. Do not sacrifice your hogs by dumping them on an overcrowded market."

### CRITICIZE WAR PROVISION OFFICE

Stockholm, Dec. 18.—The Berlin Tageblatt severely criticizing the war provision office says: "City dwellers await the coming winter with concern. The foodstuffs prospects are more unfavorable than at any time during the war. To the high cost of necessities which already has become a terrible burden to the masses is added the danger that not even the most absolutely necessary foodstuffs can be considered as being assured."

Bibles—Obermeyer's—Bibles.

### CONGRESS RECESSES.

Washington, Dec. 18.—Congress closed down today for a holiday vacation, leaving behind a series of investigations to proceed during the recess. Both houses adjourned until Thursday, January 3rd, when war legislation is to take the forefront of the calendar.

Slater, E. Morgan St. barber.

### WAS WITH BRITISH TROOPS

Washington, Dec. 18.—Major Edward Davis, the American military attaché at Athens, Greece, was with the British troops when they occupied Jerusalem. Dispatches to the state department today said Major Davis reported that the city was undamaged and that the inhabitants received the army cordially.

### WILL REGULATE WHEAT SUPPLY TO MILLERS

New York, Dec. 18.—New regulations prescribing the amount of wheat to be used by millers of the United States in manufacturing flour detailing the manner in which the prices of mill feeds shall be determined and which are calculated to effect a saving of more than 16,000,000 bushels of wheat during the present crop year were announced here today by the milling division of the federal food administration. The establishment of maximum prices for mill feeds relative to the cost of wheat is expected to result in a marked reduction in their price and it is hoped this will operate to lower the price of milk and other dairy products as soon as the effects of the new rulings are felt in large dairy centers, food administration officials declare. Increasing difficulties of transportation and the "uncertainty of the future," emphasize the importance of providing surplus of wheat against future needs and constitute the reasons for the new regulations a statement issued by the milling division says.

### OPEN EVENINGS TILL CHRISTMAS

Hillerby's store, corner East State and Square, will be open evenings till Christmas.

### SECRETARY WILSON ADDRESSES LABOR

ST. PAUL, Minn., Dec. 15.—A strong appeal for perfect organization of America's industrial forces and greater co-operation between employer and employee was sounded by William B. Wilson, secretary of labor in an address at a public mass meeting here tonight.

"A tremendous amount of material is necessary to properly equip our armies at the front and to secure this equipment will require the most perfect organization of our forces at home and the highest possible standard of efficiency," Secretary Wilson declared. "It will require that our industrial disputes be abandoned at least until after the war not by the process of crushing the worker or the employer into submission but by the process of doing justice to both and to the public at large."

### AWARDED DISTINGUISHED SERVICE ORDER

London, Dec. 18.—The distinguished service order has been awarded to Lieutenant W. G. Oakman, Jr., of Isleip, Long Island, a grandson of Roscoe Conkling, for gallantry in the Cambrai battle, where he was wounded for the third time.

### WILL GIVE WAR SAVING STAMPS

Chicago, Dec. 18.—Seven of the largest packing concerns in Chicago have decided to give war savings stamps and certificates as Christmas bonuses, it was announced today. It is thought that every packing firm in the city will adopt the plan.

### PAY TRIBUTE TO MEMORY OF FRANK GOTCH

Humboldt, Iowa, Dec. 18.—Humboldt will close its business establishments tomorrow in tribute to the memory of Frank A. Gotch, during the funeral services for the former world's champion wrestler who died at his home here Sunday. The school Gotch attended as a boy also will be closed.

### LEAVE FOR CAMP

Ernest Stout and Harry Hering left last night for Chicago. There they will join John W. Larson and will report at first regiment armory. The company of young men who recently enlisted will leave Chicago this afternoon for Jacksonville, Fla., to enter training at Camp Johnston.

### CARS ARE STOPPED

Galesburg, Ill., Dec. 18.—Galesburg street cars stood idle five hours today because the power plant was unable to obtain coal.

### DIES OF PNEUMONIA

Rockford, Ill., Dec. 18.—Private Otto Finke, Company C, 342nd Infantry, died at Camp Grant base hospital today of pneumonia. His home was in Lombard, Ill.

### MAKE VIGOROUS ATTACKS.

Rome, Dec. 18.—Vigorous attacks by the Austro-Germans on the Monte Soloroso salient were repulsed today, according to the announcement of the war office.

### PRICE OF BREAD CUT

Chicago, Dec. 18.—The retail price of bread was cut one cent for a pound loaf today, the price now being eight cents. Some days ago the price was cut from ten cents to nine cents and the cut of today followed a conference of the retailers with Harry A. Wheeler state food administrator.

### FIRST SNOW FALL.

Paris, Dec. 16.—(Sunday)—The first heavy fall of snow of the season in this part of France occurred today. Railroad and telegraph services were disorganized.

### ENCOURAGING REPORTS

Washington, Dec. 18.—Encouraging reports of the success of the Red Cross Christmas membership drive were reported at national headquarters tonight but most division managers failed to send in figures on enrollment. Officials were confident that the desired ten million new members would be secured.

### ALL SOLDIERS WILL RECEIVE XMAS GIFTS

Camp Dodge, Ia., Dec. 18.—Christmas gifts for all National army men from Black Hawk county, contributed by general subscription, will be brought here Christmas morning in an automobile from Waterloo, it was learned today.

Freeport, Ill., Dec. 18.—Mrs. Carrie D. Walker, 81 years old and her daughter, Minnie, were found dead in bed of asphyxiation here today. The mothers is believed to have turned on the gas.

### BRIEF NEWS NOTES FROM WINCHESTER

Items Concerning the Doings of Winchester Citizens

Winchester, Dec. 18.—Mrs. James Hammond and little daughter Gail arrived Monday from New Jersey to visit during the holidays with her parents, Mr. and Mrs. M. A. Henderson.

Mr. and Mrs. F. H. Allen and the Misses Estes were Jacksonville visitors Tuesday.

Charles Crisp arrived Monday from Jacksonville to visit relatives here for a few days. He is a former Winchester resident but now is living at Nacy, Neb.

Mrs. J. C. Neat left Tuesday for a short visit in St. Louis.

Quite a number of Alsey people were Christmas shoppers here Tuesday.

Miss Margaret Coultas has returned home after a short visit with her sister, Miss Lois Coultas, who is a member of the Illinois Woman's College faculty.

Mrs. Thomas Rosa and daughter Miss Edna left today for California to spend the winter months.

Earl Lashmet was able to be out today after a two weeks illness.

Miss Lena Northcutt returned today from Jacksonville where she has been visiting her mother a patient at Our Savior's hospital. Mrs. Northcutt is much improved and expects to be able to return home the latter part of the week.

Rev. W. R. Johnson was a Jacksonville visitor today.

The ladies of the Baptist church presented their play "The Old Peabody Pew" at the church tonight for the benefit of the Red Cross. There was a fair sized audience present despite the inclement weather and a neat sum was realized for the local chapter.

At Woodman hall. Special music by Carroll-Large Orchestra.

IS NOW IN FRANCE

The many friends of Arthur Franz, son of Mr. and Mrs. Charles Franz, former managers of the Dunlap Hotel in this city, will be surprised to learn that the young man is now in France with Uncle Sam's forces. Young Franz enlisted some months ago and word received from him last week stated that he was in good health and liked France very much.

### A FINE CEMETERY DECORATION

Logan Black had in the city yesterday photographs of a cemetery decoration he has successfully completed about the family lot in Ebenezer cemetery. It is mainly of concrete and consists of a foundation of concrete all about the lot in the first place. That foundation rises a convenient distance above the ground. While it was yet soft he placed on edge all about it many tiles, glazed and of variegated colors and over them he constructed a concrete covering a few inches wide, enough to look well. The whole is very ornamental and in fine taste. The concrete is as hard as rock and Mr. Black expects it to last permanently.

## NOW STATIONED AT CAMP JOHNSTON

Francis Saner Formerly of Journal Force Now at Camp Joseph E. Johnston, Jacksonville, Fla.—Leo Sehy and Edward Austin Also There—Corporal Maloney Writes From Camp Taylor—Praises K. of C. and Y. M. C. A.

Jacksonville, Fla.  
Dec. 14, 1917.

Mr. W. L. Fay,  
Jacksonville, Ill.

Dear Sir:  
This is the first chance I got to write. I enlisted a week ago today in Chicago. Left there Saturday night, arriving at Columbus Barracks, Columbus, Ohio, at 2:30 p. m. It was ten degrees below zero. There took another physical examination. Just before leaving Chicago Leo Sehy and myself met another Jacksonville man, Edward Austin, so that brought the number up to three from Jacksonville. There are 47 in our Company, all Chicago men and all fine fellows.

We got our uniforms Monday morning at Columbus and left there at 1:30 Tuesday afternoon. Arrived at Camp Joseph E. Johnston at 4:30 p. m. Thursday. It is about eight miles out from Jacksonville. It is a new barracks not quite finished. It is to be a training school for quarter-masters. (Don't say anything about a train to me for I am blue in the face from riding. We are running around here in our shirt sleeves. It is just like a spring day; flowers are blooming and birds singing. This is a regular paradise. The St. John's river is just a quarter of a mile west of our barracks.

I consider myself fortunate to be sent to such a climate.

Yours,  
Francis Clarence Saner,  
Quartermaster's Dept.,  
Camp J. E. Johnston, Fla.

Corporal Maloney Writes.  
As I am at home and find that people are very anxious to know about camp life, I will endeavor to give a brief description of it. The whole thing can be summed up as follows: We arise at 6 a. m., answer roll call and then eat a good breakfast after which the days routine begins. I am connected with the Field Hospital and therefore our work consists mostly of absorbing lectures on first aid, etc.

The K. of C. and Y. M. C. A. organizations are making camp life correspond as much as possible to home life. The boys depend entirely on these organizations for their spiritual welfare. I have learned during my short stay here that the K. C. are making every effort to raise money for the soldiers. All I can say is that if the people realized the benefit derived from such effort and how much the soldier appreciates these deeds of kindness they would not hesitate to contribute generously.

Our company with just pride consider themselves one of the best in the camp, for out of over 120 men all but 52 have been transferred to different branches of the service.

Corporal J. V. Maloney,  
Carrollton.

## LETTER FROM FORMER GRACE CHURCH PASTOR

### A Fine Idea.

Rev. J. W. Miller, formerly pastor of Grace M. E. church of this city, and now connected with the Army Y. M. C. A. work at Camp Logan, Houston, Texas, writes Rev. F. B. Madden as follows:  
Camp Logan, Texas, Dec. 15, '17.  
Rev. F. B. Madden,  
Dear Brother:

The enclosed list of names represent men who have few or no relatives to write to them. Others get letters, they get none. The chances are they will receive little or no remembrance at Christmas. I believe many Grace church people will take a name and write an occasional letter and also send some Christmas gift or token. I leave this list with you and your church. My work is going well. We have had about 100 decisions in the last three weeks. I was out 6 weeks helping to raise the \$35,000,000 for Y. M. C. A. war work. Since I came back a revival spirit has been manifest. I hope your work is prospering. Regards to family and friends.

Sincerely,  
J. W. Miller.

### LETTER TO SANTA CLAUS.

Literberry, Ill.,  
December 4, 1917.

Dear Santa Claus:  
The other boys and girls are writing to you so I will too. I will tell what I want. I don't want very much so you can give other little boys and girls and make them happy too, and if you make them happy we can not act selfish and want them to be happy too. I want a nice new dress and hair ribbon to match it. Some candy and nuts. My stocking will be hanging by the fire place. My name will be on it. Please Santa Claus make all those little boys and girls that have no parents nor homes happy.

To Santa Claus,  
From,  
Alice Gunter.

## EXEMPTION BOARD HAS NEW INSTRUCTIONS

Chairman Weir Announces the Receipt of Instructions Relative to Voluntary Enlistments — Full Text Is Given Hereafter.

Chairman Weir of the local exemption board yesterday announced the receipt of new regulations relative to the voluntary enlistment of registered men. Men who will be included in the next draft call are given an opportunity to choose their own branch of the military service and join the colors at once in regulations issued by the provost marshal general.

The new regulations provide that white men not included in the current quota may apply to their local boards for induction into the aviation or land division of the signal corps, the medical department, the quartermaster corps, the ordnance

department, or the infantry.

**Only Way to Enlist.**

This method takes the place of voluntary enlistment for men of draft age, and is the only means by which they may enter the service except by waiting until they are called by draft.

Local boards are urged to be on their mettle "to demonstrate their efficiency as recruiting units for the army." Inasmuch as men so inducted into the military service will not be sent to mobilization camps in their territory, but to various training schools, at considerable expense, local boards are urged to use utmost care in physical examination, that no men selected will face the possibility of rejection by army medical officers.

**Where Men Will Go**

No men subject to call in the current draft quota may ask to be inducted into service. Others in later calls who wish to enter the service now, while they can exercise their right to choose a special branch, will be distributed as follows:

Aviators, to San Antonio, Tex.  
Land division, signal corps, to Fort Leavenworth, Kan.

Medical department to Fort Riley, Kan., for men west of the Mississippi river, and to Fort Oglethorpe, Ga., for men east of the Mississippi.

Quartermaster corps, to Jacksonville, Fla.  
Ordnance department, to Raritan, N. J.

Infantry to Charlotte, N. C., for all boards east of the Pacific coast states.

Drafted men so inducted into service will be sent to camp in tourists sleepers, at government expense.

The full text of Provost Marshal General Crowder's telegram follows:

December 17, 1917.

Local and District Boards:

The following telegram No. A-851, of the Provost Marshal General is repeated for your information and guidance:

Washington, D. C.

December 15, 1917.

"Governor

"Springfield, Ill.

"No. A-851

"Voluntary induction of certain

registrants is provided for in Section

150, Selective Service Regulations.

This section requires Local Boards

to send the applicant for voluntary

induction to the nearest

mobilization camp.

"To provide a flexible system

which will permit men to be sent to

places other than mobilization camps

the following will govern as to the

disposition of men applying for in-

duction under Section 150. This

section must be strictly complied

with in all respects that men should

be sent to places herein indicated

instead of the nearest mobilization

camp. Attention is directed to the

fact that no man in the current

quota may be voluntarily inducted

and that credit for men so inducted

will be given on the quota called

for next after their induction into

military service and not on the current

quota.

"While registrants desiring volun-

tary induction into the various

branches of the military service

hereinafter named will be sent by

Local Boards to the points de-

signated as follows: Aviation Sec-

tion Signal Corps, to Kelly Field,

San Antonio, Texas. Medical Depart-

ment: To Medical Officers Training

Camp, Ft. Riley, Kansas by Local

Boards west of Mississippi to Medi-

cal Officers Training Camp Ft.

Oglethorpe, Georgia by Local

Boards east of the Mississippi.

Quartermaster Corps: To Camp

Joseph Johnston, Jacksonville,

Florida. Ordnance Department: To

Raritan Depot, Raritan, N. J. In-

fantry: By Local Boards of Pacific

Coast States to Ft. McDowell, Cali-

fornia: By all other Local Boards

to Camp Green, Charlotte, N. C.

Organization conditions are such

that only white men may be sent to

the places named in this order

therefore no negroes will be in-

ducted under Section 150 until

further notice. Supply conditions

are such that no men at present may

be inducted under this method for

service in the cavalry, Field Artillery,

Coast Artillery, or Engineer

Corps. Similar conditions at the

mobilization camps prevent the

sending to such camps of men volun-

tarily inducted.

"In sending men to the places

mentioned in this telegram Local

Boards will prepare three copies of

Form 1029 for each man or group

accompanied by two copies of form

1010 for each man. One copy each

of form 1029 and 1010 will be sent

to the camp with the inducted man

and one copy of each of these forms

will be immediately mailed to the

camp after the man has been for-

warded to camp. The third copy will

be held by the Local Board in a

separate file until further orders.

The commanding officer at the camp

will accomplish the entries and

certificate provided in form 1029

and on completion thereof will mail

one copy direct to the Provost

Marshal General and hold the other

copy until further order. In using

form 1029 for voluntary induction

as prescribed in this telegram, Local

Boards will write across the face of

the first page thereof, in bold red

ink characters, the word 'voluntary'

and the word 'infantry. Quartermaster

Corps, Medical Department' or

whichever work designates the

branch of the service for which

each man was inducted. Where prac-

ticable, men should be sent in

groups even if it is necessary to de-

lay some applicant as much as a

week, but no delay in excess of a

week for any applicant is authorized.

"The attention of Local Boards

should be emphatically directed to

the fact that this method takes the

place of voluntary enlistment that

since men inducted under this pro-

vision are to be sent for great

distances at considerable expense to

the government the utmost care

should be exercised in their physical

examination and no man should be

forwarded to any of the destina-

tions mentioned herein unless it is

quite certain that he is physically

acceptable for military service and

Local Boards should be enjoined as

recruiting units for our army.

"Transportation from the Local

Board to the destination mentioned

herein should be provided by the

Local Board. Where the journey

requires over twenty four hours,

tourists pullman transportation

may also be provided by utilizing

ordinary transportation requests

for tourists transportation but

where tourists transportation is not

available standard pullman accomo-

dations may be furnished in any

instance.

"Please communicate this order

to all Local Boards within your

State by mail without delay and

change or elision.

"Crowder,"

Frank S. Dickson,

Adjutant General.

ducting under Section 150 until further notice. Supply conditions are such that no men at present may be inducted under this method for service in the cavalry, Field Artillery, Coast Artillery, or Engineer Corps. Similar conditions at the mobilization camps prevent the sending to such camps of men voluntarily inducted.

"In sending men to the places mentioned in this telegram Local Boards will prepare three copies of Form 1029 for each man or group accompanied by two copies of form 1010 for each man. One copy each of form 1029 and 1010 will be sent to the camp with the inducted man and one copy of each of these forms will be immediately mailed to the camp after the man has been forwarded to camp. The third copy will be held by the Local Board in a separate file until further orders.

The commanding officer at the camp will accomplish the entries and certificate provided in form 1029 and on completion thereof will mail one copy direct to the Provost Marshal General and hold the other copy until further order. In using form 1029 for voluntary induction as prescribed in this telegram, Local Boards will write across the face of the first page thereof, in bold red ink characters, the word 'voluntary' and the word 'infantry. Quartermaster Corps, Medical Department' or whichever work designates the branch of the service for which each man was inducted. Where practicable, men should be sent in groups even if it is necessary to delay some applicant as much as a week, but no delay in excess of a week for any applicant is authorized.

"The attention of Local Boards should be emphatically directed to the fact that this method takes the place of voluntary enlistment that since men inducted under this provision are to be sent for great distances at considerable expense to the government the utmost care should be exercised in their physical examination and no man should be forwarded to any of the destinations mentioned herein unless it is quite certain that he is physically acceptable for military service and Local Boards should be enjoined as recruiting units for our army.

"Transportation from the Local Board to the destination mentioned herein should be provided by the Local Board. **OBSERVES BIRTHDAY  
ANNIVERSARY**

Mrs. Della Harper of Zion Neighborhood Surprised on 76th Birthday—Other Interesting Neighborhood Items.

Mrs. Della Harper was very pleasantly surprised last Thursday when her relatives and neighbors came in with well filled baskets to remind her of her birthday. She is seventy-six years old and is unusually healthy and nimble for one so advanced in years. At the noon hour all did justice to a bountiful dinner. Those present were Mr. and Mrs. William Blakeman and daughter Mary and son Clyde, Mr. and Mrs. Henry Simmons and daughters, Mrs. Anne Strawn, Mrs. Ona Dickerson, Mrs. Mary Whitlock and Mr. and Mrs. Judd Spencer.

Mr. and Mrs. G. H. Edwards spent Monday with William Steele and daughter of Nortonville.

Miss Lucy Lawless spent from Friday until Sunday with G. P. Langdon and family.

Roy H. Covington spent Thursday night and Friday at Manchester, visiting Glenn Funk of Ft. Riley, Kans., who is home on a furlough.

Miss Leita Steele spent Saturday night with her aunt, Mrs. Mary Edwards.

Miss Lucy Lawless spent Sunday evening with Miss Margaret Maloney.

Mr. and Mrs. Ernest Long, Mr. and Mrs. Carey Simmons, Mr. and Mrs. Thomas Langdon, Miss Lucy Lawless, Roy Covington were among the Jacksonville visitors Saturday.

Miss Leita Steele spent Sunday with her father, William Steele of Nortonville.

Mr. and Mrs. Terry Rousey and son Kenneth Francis spent Sunday with Mr. and Mrs. Jesse Covington.

Mr. and Mrs. Harry Rimbey and daughters spent Friday afternoon in Murrayville.

Mrs. Norris Bracewell received word Monday morning of the sudden death of her father, John B. Hough of the Pleasant Hill neighborhood.

Miss Mary Jackson and Master Wayne Bracewell spent Monday night with the latter's grandmother, Mrs. Martha Bracewell.

Mildred Whitlock called on her grandmother, Mrs. Mary Whitlock Monday afternoon.

Earl Bends spent Sunday with his mother, Mrs. Mary Edwards.

Mrs. C. E. Hart and Henry Osborn were Jacksonville visitors Monday.

Ivalou Gibson spent Tuesday with Mrs. C. E. Hart.

Tod Loneragan, R. H. Covington, Thomas Langdon and Earl Hall went rabbit hunting Monday. They killed about forty of the little animals.

RUSSELL & THOMPSON**

Mr. W. G. Richardson of Point was a visitor in our city yesterday.

## —SHILOH—

The Christmas Eve at 7 o'clock. Everybody welcome.

Miss Hannah Young of Kansas visited with Mrs. Arch Bridgman, Mrs. Alvin Carpenter and Mrs. Ervin Patterson the past week.

Mr. and Mrs. Ervin Patterson were Jacksonville shoppers Friday.

James and Johnnie Black are

having repairs made on their heating plant. Arthur Black of Jacksonville is doing the work.

Visitors at the home of Alvin Carpenter Friday were Mr. and Mrs. Spencer Carpenter and son, Nathan, of Camp Taylor, Mr. and Mrs. Charles Gaines, Miss Hannah Young and Miss Ethel Gaines.

Rev. G. T. Wetzel filled his regular appointment at Shiloh Sunday afternoon.

## PRAYER MEETING AS USUAL.

Prayer meeting as usual is announced by Rev. W. R. Leslie, pastor of Centenary church.

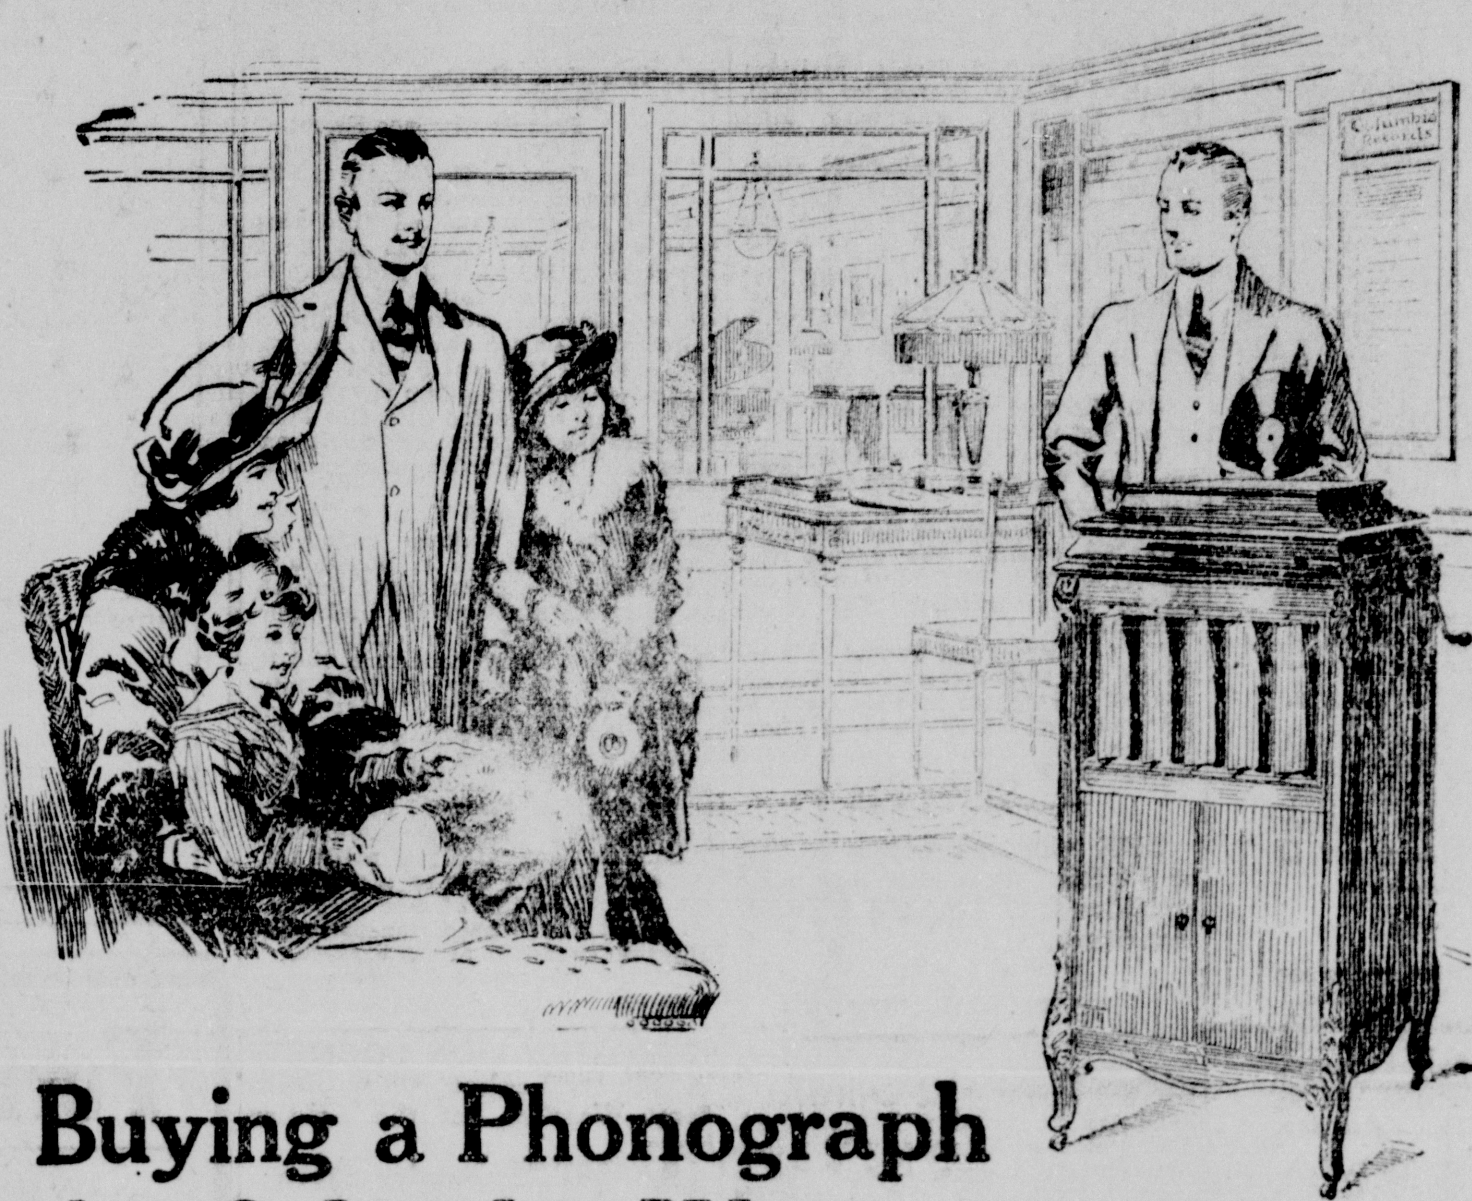

When Commissioner Vasconcellos issued his order to stop using water for steam heating plants the officers of Centenary immediately got busy. A stove was purchased and placed in the north room in the basement and it will make the room comfortable for all purposes. Prayer meeting

will be held in this room this evening and it is hoped all members of the church will be present.

# Columbia Grafonola and Columbia Records

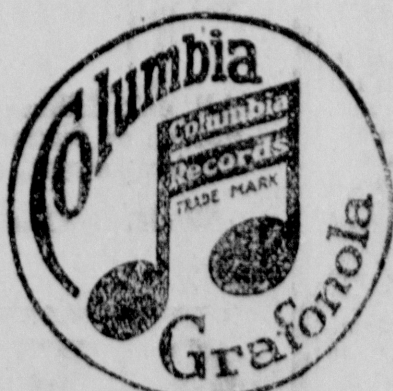

## Buying a Phonograph the Columbia Way

You enter the store. You are courteously welcomed. You play as many records of your own selection as you wish on different Columbia models. You ask questions about phonographs. These are answered to your entire satisfaction. The more questions you ask about the Grafonola the better the dealer likes it.

First and all the time the Columbia dealer impresses you with this thought—after all, what you are buying is just plain phonograph satisfaction. Sensible, isn't it?

The instrument you want in your home is the instrument that plays the kind of music you like best in exactly the way you like to have it played. The only way to determine this is to test the Columbia Grafonola in your own home. Have the dealer send a Columbia Grafonola on trial and put the issue squarely up to the instrument—this is the best way to buy phonograph satisfaction.

It is in direct comparison that Columbia Grafonolas appear at their best.

Columbia Grafonolas are made in a large number of models, with the widest range of prices in the phonograph field.

Columbia Graphophone Company, New York

## Why I Believe in Nuxated Iron

A Strength-Builder for the Nation

By E. Sauer, M. D.

Probably no remedy has ever met with such phenomenal success as has Nuxated Iron. It is conservatively estimated that over three million people annually are taking it in this country alone. It has been highly endorsed and used by Former United States senators and members of congress; physicians who have been connected with well-known hospitals have prescribed and recommended it; Monsiegnor Nannini, a prominent Catholic clergyman, recommends it to all members of the Catholic church. Former Health Commissioner Wm. R. Kerr, of Chicago, says it ought to be used in every hospital and prescribed by every physician. Sarah Bernhardt—"the Divine Sarah," the world's most noted actress, has ordered a large quantity sent to the French soldiers to help give them strength, power and endurance.

Dr. A. J. Newman, late police surgeon of the City of Chicago, and for some time house surgeon Jefferson Park Hospital, Chicago, says Nuxated Iron has proven through his own tests of it to excel any preparation he has ever used for creating red blood, building up the nerves, strengthening the muscles and correcting digestive disorders.

Dr. H. B. Vail, formerly physician in the Baltimore Hospital and a medical examiner, says that time and again he has prescribed Nuxated Iron and surprised patients at the rapidity with which the weakness and general debility were replaced by a renewed feeling of strength and vitality.

If you are not strong or well, you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained.

NOTE—Nuxated Iron, which has been used by former Members of the United States Senate and House of Representatives, and other prominent people with such surprising results, and which is prescribed and recommended above by physicians in such a great variety of cases, is not a patent medicine nor secret remedy, but one which is well known to druggists and whose iron constituents are widely prescribed by eminent physicians everywhere. Unlike the older inorganic iron products, it is easily assimilated, does not injure the teeth, make them black nor upset the stomach; on the contrary it is a most potent remedy in nearly all forms of indigestion as well as for nervous, run-down conditions. The manufacturers have such great confidence in Nuxated Iron, that they offer to forfeit \$100 to any charitable institution if they cannot take any man or woman under 60 who lacks iron and increase their strength 100 per cent. or over in four weeks time, provided they have no serious organic trouble. They also offer to refund your money if it does not in ten days' time. It is dispensed by Luby-Davis Drug Co., Armstrong and Armstrong, Gilbert's Pharmacy, J. A. Obermeyer and Son and all good druggists.

## ILLINOIS STATE NEWS

### Tuberculosis Clinic

Active plans are on foot under the direction of Dr. George T. Palmer, assistant director of public health, for another tuberculosis clinic at Springfield similar to two others held recently, one in Chicago and one at Springfield. While no date for the meeting of health officers of central and northern Illinois have been set it will take place in January, Dr. Palmer stated. The last clinic brought together physicians from southern Illinois counties.

Among those who will have part in the coming clinic are Major Frank Billings, Chicago, Dr. John H. Peck, in charge of the anti-tuberculosis work at Camp Dodge, Des Moines, Ia., and Dr. C. St. Clair Drake, director of health for Illinois.

Some of the meetings will be of a popular nature, and will be open to the public.

The clinics are being promoted by the department of health, the Illinois council of defense and the Illinois Anti-Tuberculosis Association. Subjects for discussion deal with methods of treatment of the disease as it affects both military and civil populations, and occupations will be given to urge preparation in the various counties for care of tuberculosis soldiers who return from Europe.

### Service Flag

A monster "service flag" with a star for each member of the Illinois state teachers' association in the service will be displayed at the annual teachers' convention here December 27-29. Preparation of the flag is in the hands of the executive committee of the association. Several hundred Illinois educators are serving in the army or in allied lines of war work, it is said.

### Special Examination

Depletion of the ranks of state employees will make necessary special examinations in January to fill the places of men and women in army service or work, the state civil service commission announces.

### No More Permit

"Tag" days have become such a nuisance in Springfield and there will be no more permits granted by me for such things until after the war," Mayor Charles T. Baumann said the other day. The mayor afterward qualified his statement by saying only projects of unquestionable merit would be allowed to "tag" citizens in the streets for money.

### Auto Licenses

A total of 340,180 automobile licenses had been issued by Secretary of State Emmerson in the middle of December as compared with 248,447 for the entire year of 1916.

### Keeping Prisoners Warm

When the heating plant of the jail at Taylorville, Christian county, went out of commission recently, Sheriff E. N. Barnes, routed out a traction engine and connected the boiler of the tractor with the heating system of the bastille. The

prisoners reported that they were kept warmer than usual.

### Tax Returns

Twenty-five internal revenue agents will go out from the office of Collector Pickering into towns and cities of the eighth revenue district to instruct citizens as to how to make out their income tax returns. The instructors will hold sessions in city halls, post offices and banks.

### German Aliens

Fully 90 per cent of the German alien enemies required to have federal permits, are friendly to the American cause in the war, according to the belief of Vincent Y. Dahlgren, United States marshal for the southern district of Illinois. Altho his experience with Austrian alien enemies has been limited, he said, he was sure a similar condition would prevail among persons of that nationality.

"It is the small number of Germans and Austrians seeking to defeat the purposes of the United States in this war against autocracy who make imperative the precautionary measures," said Marshall Dahlgren. "Of course it is necessary to take professions of loyalty with a grain of salt, but there are so many evidences of sincerity among most un-naturalized Germans that one who deals with them can not mistake their friendliness toward America."

More than 1,000 permits have been issued to German alien enemies in the southern district, Mr. Dahlgren said, and about an equal number will be necessary for the un-naturalized Austrians who became alien enemies by the recent declaration of war against Austria-Hungary.

Mr. Dahlgren said he had received a copy of a letter written by an alien enemy, holding a permit issued in this district to President Wilson commending him highly for his message to congress asking a declaration of war against the dual monarchy.

### National Day

October 5, 1918, is to be designated in Illinois as "National Day," and President Wilson will be invited to be present in Springfield when the first of the chief ceremonies in connection with the celebration of the state's one hundredth anniversary is to take place.

On this date, which falls on Saturday and which marks fifty years since the laying of the corner stone of the present capitol, the president, governors of sister states and other distinguished visitors will take part in the laying of the corner stone of the new centennial memorial building, to be erected just south of the state house.

Exercise will continue thru October 6, designated as "Governor's Day," when statues of Lincoln and Douglas, to stand east of the capitol on the lawn, will be unveiled. A special committee composed of state officers, supreme court justices and members of the general assembly will issue the invitations, to President Wilson and the others. It is especially desired to have present, in addition to the president, governors of states which make up what was once the Northwest Territory, of which Illinois was a part.

What is said to be one of the largest coal mines in the world is to be opened in Gillespie by Superior Coal company in the near future. It will be known as Superior Mine No. 4 and will have a capacity of 10,000 tons a day employing in the neighborhood of 2,000 men when in full operation.

A monster hoisting engine arrived recently and is to be installed at once. "The mine," it is said, will be equipped with the most modern machinery known to the coal mining industry.

The first level of the mine will be slightly more than 300 feet down where a thick vein of good coal is said to have been struck. Some fuel already has been taken out by means of temporary hoisting machinery.

### Education and War

Education's relation to state activities in the war, is to claim chief attention of the delegates in Springfield Thursday, Dec. 27, to attend the three days convention of the Illinois state teachers' association.

Among the notable speakers will be William Howard Taft, former president of the United States, whose address Saturday night will end the convention. Dr. Elwood Chappell Perisho, president of South Dakota state college, Brookings, S. D., will discuss "The Schools and the State" at a public session. A related subject "Public Education and the Problem of Democracy," will be treated by Edward Howard Griggs, of New York City on Friday night. Dr. Griggs will speak on "America and the World War" Saturday morning.

Thursday morning Governor Lowden will present flags to the three high schools in Illinois which won honors in the second Liberty Loan selling contest promoted by the women's liberty loan committee of the Illinois council of defense.

Among the addresses at the regular sessions will be the following: "Relation of the state organization to the National Education Association" by William B. Owen, of Chicago; "Agriculture and the Schools" by Dr. Edward Chappell Perisho; "Music in the Public Schools," Prof. J. W. Yoder, of Philadelphia; "Educational Work in Camp Communities" by Dr. R. E. Hieronymus of Urbana.

Hugh S. Magill, Jr., director of the Illinois centennial celebration, will tell of the aims and plans for the exercises at Springfield and in various counties in the state at the Saturday night meeting. Addresses will be made also by Francis G. Blair, state superintendent of public instruction and by Prof. W. R. Hatfield of Chicago, president of the teachers' association.

Officers will be elected Friday morning and sectional meetings will be held Friday afternoon when groups concerned with particular problems associated with their peculiar work will gather for transaction of business and election of officers.

The annual meeting of the normal schools council will be held at 3:45 p. m. Thursday in the First Christian church. After a dinner at 5:30 o'clock, an evening session will be held by this group. Superintendent Blair will preside and addresses will be made by Prof. W. C. Bagley of Columbia University and others.

### Lincoln Park

A plan to buy residence property in the block at the northeast corner of which stands the Lincoln home-stand and to make of the land a city park has been presented to Springfield park board by the state board of art advisers and the board of parks and buildings advisers. The scheme for beautification of the capital city in preparation for the Illinois Centennial celebration, also contemplates the boulevarding of Capitol avenue from the state house to the site of the proposed new park east of Eighth street and north of Jackson street.

George Pasfield, Jr., a member of the state centennial commission, is president of the Springfield park board.

Co-operation of the Springfield Commercial association has been enlisted, and President John McCreery is authorized to appoint a committee to work with the city park board and the proper state authorities. The plans were presented to the commerce body at a recent meeting by Hugh S. Magill, Jr., director of the centennial celebration.

The block of ground on which the Lincoln home-stand stands is covered thickly with residences, and the cost of buying the property, it is said would be great.

Attention has been called frequently to the fact that the home-stand would in danger of destruction by fire if frame structures adjoining should be the prey of flames.

### SUNDAY SCHOOL WILL HAVE CHRISTMAS TREE

Baptist Sunday School of Litterberry Will Have Christmas Tree and Entertainment Christmas Night—Other News of Interest from Litterberry and Vicinity.

Litterberry, Dec. 18.—The Baptist Sunday school is making preparations to have an entertainment and Christmas tree on Tuesday night the 24th. There will be a good program of recitations, dialogues, and songs, by the little tots. A class of juniors is expected from Arcadia to take part also.

Sunday about noon we heard a noise at our kitchen door and on opening it we found Master Eugene Young, four years old, who said, "Miss Carthy my daddy said maybe you would like a nice fat rabbit." And sure enough he had a big fat rabbit, which was highly appreciated, and many thanks to little Gene.

Mrs. Walter Roach and Arthur Lee of North Prairie, came over to Litterberry Saturday and spent the Sabbath at Harmony Cottage, with home folks and attended Sunday school on Sunday.

Mrs. Julia Dyer and Mrs. Martin Dyer of Virginia, passed thru our town on Saturday, on their way to attend services at the Indian creek Primitive Baptist church, on Saturday and Sunday.

Moving Day began early, the first being Mr. M. M. Crum and family, who moved last week from "Hillside" in the west part of town, to "The Ives" on East Capitol street.

Newell Braner of Grace Chapel

was visiting friends here on Saturday.

Mrs. S. H. Crum who has been sick for the last few weeks, is slowly getting better, and is helping some with the work.

Heatless Trousers Press \$1. for men who desire to keep their trousers in good shape, are sold by FRANK BYRNS' Hat Store.

F. L. Teague of Mexico, Mo., was transacting business in the city yesterday.

## LAUGH IS ON THE OTHER FELLOW NOW

Urbana, Ill., Dec. 18.—"The folks laughed at me when I told them I intended to begin using Tanlac but they have been so impressed with my relief that they're taking the medicine now," Mrs. H. C. Lytle, a resident of Urbana for the past thirty years, living at 1002 West Springfield avenue, said on July 11.

"For the past ten years," she continued, "I've been trying to find something that would relieve my stomach and kidney trouble. I can hardly tell you how intensely I've suffered in the last four years. My kidneys were very weak and irregular. I couldn't ride on a street car because the jolting caused such piercing pains in my back. I never cared for any thing to eat and the little I forced down didn't digest or agree with me. Gas formations and a knowing in my stomach invariably followed my meals. I was always constipated. I was very nervous,

too, finding it almost impossible to sleep at night.

"I decided to try Tanlac after learning of the good work it was doing for other people in Urbana and Champaign. Well sir, I'll never regret the decision, for my stomach and kidneys—the source of my ten years' troubles—are in excellent condition now. Why, I have the finest of appetites and everything agrees with me perfectly now. I'm never constipated any more and the gas formations and knowing feeling have ceased to follow my meals. My nerves, also, are improved as I sleep fine all night long now. In short, I feel better every way and to think, just two bottles of Tanlac have done the work.

Tanlac is now being introduced and explained in Jacksonville at the Coover & Shreve drug stores. Adv.

J. T. ALEXANDER TALKS  
OF FUTURE MARKETS

Chicago Livestock Man Addresses  
Indiana Cattle Feeders' Association  
at Purdue University—Says  
Cattle Supply Now Exceeds Demand.

At a recent meeting of the Indiana Cattle Feeders' Association held at Purdue University, the principal address was made by John T. Alexander of Chicago, who discussed future livestock markets. Because of present unusual conditions of livestock markets and the great concern that many feeders feel about the future, the address was of special interest. Mr. Alexander has been so long identified with the Chicago livestock market that any opinion of his is given more than usual weight. A part of Mr. Alexander's address is given here.

"Discussion of the future market conditions is a task fraught with difficulties. These are abnormal times and it is anybody's guess as to what may develop. One thing is very apparent: we are receiving too many cattle of all qualities and weights to match the demand just now and the present indications are that we will continue to get a very liberal supply from the next 30 to 60 days.

"The extreme high prices that the bulk of the beef cattle sold at during August and September and the favorable prospect then noted for a big corn crop, caused feeders to lay in large supplies of fleshy cattle at extremely high prices. However, the failure of a large percentage of the corn to mature, by reason of the frost early in September and a freeze a few weeks later, which caused at least 50 per cent of the corn to be sold, induced a wild scramble among cattle men to buy stock to consume the soft corn.

**Corn Has Little Feeding Value**  
"The result is that the bulk of those cattle which were bought after hurried consideration of conditions the feeder faced, will come back to within the next 30, 60 to 90 days, because most of the soft corn owners bought fleshy, good weight and high priced cattle. In many locations the corn is so soft and has so little feeding value in it that it takes 2 or 3 bushels to equal the feeding value of one bushel of good corn. This crop of soft corn will soon be disposed of and the present situation plainly evidences a disposition on the part of owners of soft corn feed cattle to market them as fast as their feed is exhausted, or the cattle get into any decent beef making shape. This assures generous receipts for the next 60 days and unless the demand situation improves very materially, unsatisfactory prices in most instances seem probable.

"There is this situation to take into consideration. 'Beefless' has been in some measures crippled the consumer outlet. A packer recently told me that as result of it the

FIGHT  
FOR YOUR LIFE

Duty Demands  
Robust Health

Fight to get it and keep it

Fight—fight day in and day out to prevent being overtaken by ill and ails. Keep wrinkles from marring the cheek and the body from losing its youthful appearance and buoyancy. Fight when ill-health is coming with its pallor and pains, defects and declining powers. Fight to stay the course and drive it off.

But fight intelligently. Don't fight without weapons that can win the day for without the intelligent use of effective weapons the pallor spreads and weakness grows and a seemingly strong man or woman oftentimes becomes a prey to ill after all.

You will not find this class of persons in the hypoferrin ranks. No unhealthy, dull, draggy, droopy persons in that line. It is a healthy, hearty, robust aggregation of quick-steppers who view life in a joyous frame of mind and are mentally and physically equal to any emergency. Hypoferrin stands for sound body and sound mind—it is the invigorating tonic of the times—powerful and unsurpassed as a health restorer, vitalizer and health preserver. Fight to hold the vigor of a sound body with hypoferrin or to stay the process of decay and restore health and strength—you win. This tonic of amazing, wonder-working properties has been approved by physicians as a restorer and safeguard of health. It is a thoroughly scientific preparation of the very elements necessary to tone up the stomach and nerves, to build strong, vital tissue, make pure blood, firm flesh and solid, active, tireless muscles.

Hypoferrin contains those mighty strength-producing agents, leucithin and iron peptonate, in a form best adapted to benefit the body and its organs. Its ingredients are absolutely necessary to the blood. In nine cases out of ten a run-down condition, pallor, pale complexion, that "all in" feeling and frail bodies are due to lack of leucithin and iron peptonate in the system.

Your mental and physical strength and endurance depends upon a leucithin-and-iron peptonate laden blood; steady, dependable nerves and a healthy stomach. With these you can meet life at any angle.

This wonder tonic, hypoferrin, which is as perfect as science can get to nature, meets every essential demand of the human organism. It is safe and sure and a boon to run-down, worn-out men and women. Hypoferrin means nature's own way of bringing color to the cheeks, strength to the body and keeping the vigor and buoyancy of youth. The power and paint way of affecting beauty is not needed by hypoferrin women and girls. Their blood, filled with nature's healthy stores, creates conditions that give firmness and grace to the body and the glow of health to the cheeks.

No need of going through life sickly and always feeling miserable in this age of medical science. Let the hypoferrin rank. It puts into you the springy snap and vigor you ought to have and puts life into your body and mind that inspires the confidence that you confront the world on an equal footing with anyone. Hypoferrin may be had at your druggist or direct from us for \$1.00 per package. It is well worth the price. The National Baking Co., Cincinnati, Ohio.

beef sales of his concern to the hotel and dining car trade had diminished 25 per cent. When the public abstains from a beef diet one day a week, which is the case now in hundreds of thousands of homes as well as in hotels and on the dining cars, the demand is bound to be adversely affected. There has as a result of this been an accumulation of beef stocks in packing houses and in freezing plants, of tens of millions of pounds of beef. One packing house alone in Chicago has 40 million pounds of frozen beef on hand now. It can not be merchandised in this country because the consumer will not buy frozen meat. The facilities for shipping it abroad are not adequate at this time and neither is the demand for it abroad.

"This beef goes to surplus account. There is every assurance that it will be sold abroad within the next few months because the civilian population of England, France and Italy will require it, and as well there will be a big demand for it from the armies. Temporarily, however, this surplus stock is a potent factor in holding down the demand for cattle and has been a factor in affecting the price decline from the top levels of 2 to 3 months ago.

"The demand during the last 30 to 40 days has particularly decreased in the trace for the choice high priced cattle. We anticipate a fairly good demand for the low priced killing cattle and butcher stock all winter long but there is some danger of the supply being too liberal. "Now, as affects the distant future market especially late spring and summer markets: from authentic information which we have, there is a light supply feeding for the spring and early summer markets, and we look for a good demand. The demand during April, May and June for the cheaper and medium grade steers is usually much better than for the higher priced cattle.

**Highest Cost in History.**  
"We all know this to be the case on the Cornbelt farms and the crop on beef being made at the distilleries is about one half normal. Texas has gone through a most severe drought and there has been forced migration from the rangers there to the territories where feed is more plentiful, thus we are going to be short on the crop of Texas grassers and the north western range country in marketing this year approximately 85 per cent more cattle than they did one year ago paved the way for a very great shortage next season. The North Western rangemen gathered their cattle closer than in years past and the percentage of youngcattle they marketed was above normal due to the fact that they experienced heavy losses last winter and also were short of hay and faced the highest cost of hay for winter feeding in history. The record prices paid for western range cattle in recent months were also an inducement to ship stock off the ranges.

"Thus, while the present situation viewed from the feeders' standpoint is far from luminous there is ahead a little streak of silver in the clouds. In our opinion the man who is in position to carry his cattle thru the winter, hiring the wave of vicissitude in the markets, and who will have a generous number of well conditioned animals to sell in the late spring and summer will not have cause to regret his feeding operations."

Funeral services for Mrs. Hannah Jane Wood will be held from the residence of her son, Abie L. Wood, 712 North Main street Thursday afternoon at 2:30 o'clock. Burial will be in Diamond Grove cemetery.

HOME TALENT PLAY BY  
CHAPIN HIGH SCHOOL

Dramatic Club Presented "Tompkins' Hired Man" for Benefit of Red Cross and Basket Ball Team—Attendance was Large

Chapin, Dec. 18.—The Chapin High School Dramatic Club presented "Tompkins' Hired Man," a home talent drama in three acts, at the Amuse-U theater, Saturday night, December 15th. In spite of the severe snow storm which occurred late in the evening, a large number of people came out to see the play. Had it not been for the disagreeable weather the opera house, no doubt, would have been well filled. One half of the proceeds to go to the Red Cross society of the Chapin District. The other half is to be kept by the school for necessary expenses of the Basket Ball Association. Those who took part did well and were frequently applauded by the audience.

The cast of characters was as follows: Mr. Asa Tompkins, a prosperous farmer who cannot tolerate deceit—Henry Vortman. Dixey, the Hired Man, One of Nature's noblemen—Walter Williams. John Remington, a fine young man in love with Louise—Alden Allen. Jerry, a half grown, awkward country lad—Gordon Swettart. Louise, the daughter whom Mr. Tompkins believes to be his own—Aileen Omer.

Julia, the only child born to Mr. and Mrs. Tompkins—Myra Anderson.

Ruth, a niece of Mr. Tompkins, boarding at the Tompkins home—Dorothy Eilers.

Mrs. Asa Tompkins, a woman who knows the secret—Mrs. F. J. Eilers.

The gate receipts of the play amounted to about \$40. The expense was very little so quite a little sum was raised for the Red Cross society. The entertainment between acts was given by:

Dean Antrobus, who sang "When He's All Dotted Up," and by Romandale Fountain singing "I Salute Thee Old Glory," and as an encore, the new edition of "We're Going Over."

Owing to the lateness of the train a few were unable to be present at the play.

The Chapin High School thanks the people of the community very much for helping them to do their "bit" for the Red Cross.

ITEMS OF INTEREST  
FROM GRIGGSVILLE

Brief Paragraphs Telling of Movements of Residents of Griggsville and Vicinity.

Griggsville, Dec. 18.—Mr. and Mrs. Edgar Clark have moved in with Mason Hatch this winter.

Frank Stephenson of Louisiana is here visiting his sister, Mrs. H. C. Treland and family.

Miss Catherine Dolbon visited friends in Hannibal from Friday until Sunday.

J. Hill of Perry is moving his family here from Perry to the Reynolds property. He will be night miller at the Pike Mill.

Mrs. J. Hellar and children will leave today for a visit with relatives in St. Louis and Beardstown.

Mrs. Vol Doane and daughter Miss Jennie have returned from Hannibal where the former was in a hospital there.

Mr. and Mrs. W. Reeves have returned from a two weeks stay in Iowa.

Miss Celia Tootle of St. Louis is here visiting her parents, Mr. and Mrs. Americus Tootle.

Mrs. Charley Birchard is visiting her brother, Nelson Dimmitt in Galesburg.

Stanley Dolbron and family are moving to the Varney property.

Mrs. Harry Lewis of Berry is visiting her parents, Mr. and Mrs. B. Collins.

In the basket ball game Friday between Barry and Griggsville the former were victorious with a score of 19 to 8.

During the past week all the Wash trains have arrived late. The west bound morning train was several hours late each day and the noon train and afternoon trains failed to get here at all since Monday.

No. 9 "the flyer" which was 3 and 4 hours late stopped for passengers to any point.

Paul, the little son of Rev. and Mrs. C. H. Pettit is ill with catarrhal fever.

John Stead arrived home Friday from a visit in Chicago with his son Walter and family.

**ARMY SWEATERS**  
**FRANK BYRNS' Hat Store.**

**RED CROSS SHIPMENT WILL BE MADE FRIDAY.**  
A shipment of Knitted Goods will be shipped from the Red Cross Headquarters Friday, December 21st.

word, subsequent insertions one-half  
cent a word. If ad is ordered  
to run one month or more without  
change, the cost will be ten cents per  
word per month. No advertisement to  
count as less than ten words; and other  
than consecutive insertions at the one  
time rate.

The Business Office is open each week  
day evening and until noon Sunday for  
the accommodation of want ad patrons.  
Terms on Want Ads Cash in advance.  
**SPECIAL NOTICE**  
In answering "keyed" or "blind" ads  
in the Journal, such as "A. B. C. C. C."  
Journal, either mail or bring your reply  
to the Journal office, where parties ad-  
dressed will call for your answer. The  
names and addresses of parties placing  
"blind" ads in this paper will not be  
given out—you must reply to writing  
only.

**ADS TAKEN OVER TELEPHONE**  
The Journal will take Want Ads over  
the phone as an accommodation to our  
subscribers with the understanding that  
collection can be made for the same the  
next day. Advertiser can have ad re-  
peated in today the collector will call to collect  
tomorrow. The central cannot be re-  
sponsible for errors in ads taken over the  
phone. Advertiser can have ad repeated  
back over the phone on telephone orders.

## IMPORTANT NOTICE TO REGISTRANTS

**Under**

### An Announcement to ZEPHYR Users

As a war measure, the United States Food Administration has ordered that all flours be milled from mixed wheats.

The order is only temporary but until withdrawn

## ZEPHYR FLOUR

will contain a certain percentage of soft wheat. Fortunately the 1917 crop of Kansas soft wheat is of the very highest quality.

The flour will be a little less perfect than the Zephyr to which you are accustomed. But it will maintain—by a chemical analysis of grain—the same relative superiority over other flours which Zephyr has always held.

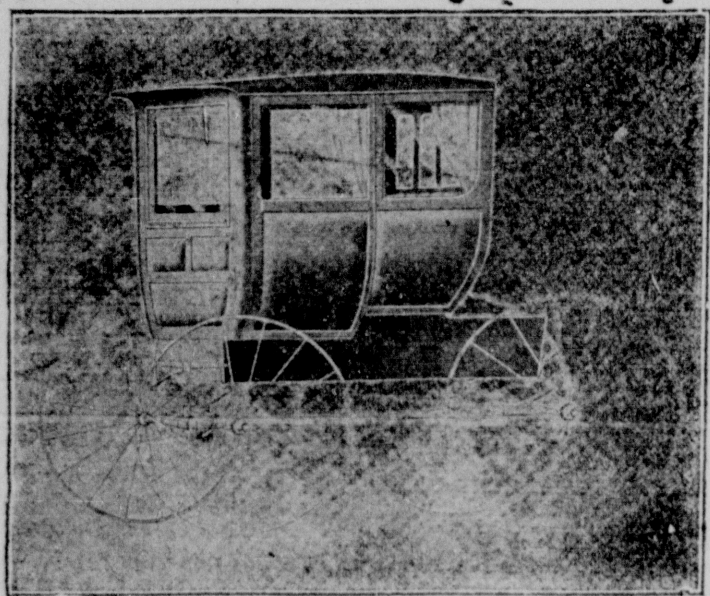

You can continue to buy Zephyr with the perfect assurance that it represents the best in flour.

### CONCORD RESIDENTS MAY LOCATE IN SOUTH

Mr. and Mrs. George Wooff and Mr. and Mrs. V. D. Brainer left Monday for McAllen, Texas—Mr. and Mrs. Smith Celebrate Wedding Anniversary—Other Concord News

Concord, Dec. 18.—Miss Edith Fox went to Jacksonville Thursday and spent the week end with her sister, Miss Addie, who is a student at Illinois College.

Walter Brockhouse came up from White Hall Saturday to see his folks. Miss Elsie Hallowell, teacher at the Hopewell school, spent the week end with home folks at Winchester. Miss Dorothy Oehler spent a couple of days with her aunt Mrs. Coultas.

Mr. and Mrs. George Wooff and Mr. and Mrs. V. D. Brainer left on the evening Wabash train Monday for McAllen, Texas, where they will locate, if suited. Mr. and Mrs. Wooff have been lifetime residents of Concord precinct and have many relatives and close friends who deeply regret to see them go. Mr. and Mrs. Brainer also have a wide circle of friends who regret to see them leave, but do not wish to hinder any of these people in making a change of location beneficial to their health. Should Texas not prove as desirable as old Morgan Concord friends will welcome their return.

O. T. Hamm and wife went to Arenzville Sunday to see Mrs. Hamm's parents. Ora went to Springfield in the afternoon and returned Sunday night.

Mrs. August Brockhouse has had her parlor, two halls and several rooms decorated in fine style by Maile and Son of Jacksonville. A new plate glass door is to be fitted and will complete a decided improvement in the house.

Master Eugene Way is to be operated on for adenoids and tonsillitis. He has been ailing for several weeks and it is to be hoped he may soon get relief.

Mr. and Mrs. E. M. Harmon started Saturday for Texas and other points in quest of a better climate and improved health.

Mr. and Mrs. James A. Smith were married 48 years ago Sunday, the 16th. Mr. and Mrs. M. O. Smith, Mr. and Mrs. Elmer Smith, Mr. and Mrs. Harry Ogle, Mr. and Mrs. S. M. Smith, Mr. and Mrs. Austin Smith, took dinner with them to help celebrate the occasion. We extend our best wishes and hope that we may have the honor of writing up their golden wedding two years from now.

Grandma O'Keefe is suffering from a severe cold.

**EMERSON DOUBLE DISC RECORDS—December Holiday Hits—quality music on BOTH sides—play on any phonograph. 25c each. LULY-DAVIS Drug Co., 44 North Side Square.**

#### AN OPEN LETTER.

Editor of Journal:

We are proud of our Board of Education; they have come back to the simple life. From civic love and civic pride they are giving the best that is in them, for the good of our young people and our city. Just as Dr. David Prince and other men of his time did without salary. They have not only run the schools upon the amount of taxes provided, which former Boards of Education said could not be done, but they have paid off over eight thousand dollars of back indebtedness and have not neglected their own business either. Dr. Prince too was a very busy man.

Jacksonville will not hold its own, much less grow, unless its citizens manage its affairs, giving the best that is in them to the duties of public office, and do away with the politicians who seek the office for the money they can get out of them. When our citizens will do this from civic love and civic pride, then Jacksonville will rise to the honored place she once held and no longer be the jest and gibe of all the other towns and cities in the state. It would not cost the citizens as much in time, anxiety or worry.

—Mary Turner Carriel.

#### Art Calendars—Obermeyer's.

#### WILLIAMS TAKEN TO HOSPITAL.

Earl Williams of the fire department who suffered injury to his eyes from the effect of chemicals at the fire at the Church of Our Savior Monday morning was taken to Passavant hospital for treatment Tuesday afternoon.

Williams consulted Dr. A. L. Adams Monday but Dr. Adams thought it best to wait until yesterday for further examination. Upon examination Tuesday it was found that Williams condition was but little improved.

Dr. Adams then recommended that he be taken to the hospital for a course of treatment. In the meantime Dr. Adams will consult a St. Louis specialist in regard to the case.

It is the opinion of Dr. Adams that the affliction of Williams' eyes is caused by the poisoning of his system by carbonic gas. This has resulted in injury to the optic nerve. It is the hope of Dr. Adams that the course of treatment contemplated will result in Williams' complete recovery.

**SILK or WOOL mufflers. FRANK BYRNS' Hat Store.**

#### REAL ESTATE WILL SELL IN MURRAYVILLE.

Mrs. Rebecca Blakeman will sell at 2:30 Saturday, Dec. 22, 1917, at public auction to highest bidder on premises:

Brick Store building with basement in good condition with oil house.

Also a 6 room dwelling with basement and barn in good condition. This is a rare opportunity to get property in such a choice location.

## INTRODUCING

## Columbia Grafonola and Columbia Records

Columbia Grafonola, Price \$85

Columbia Grafonola Price \$119

Columbia Grafonola Price \$215

### Walk in and look at them—see them and hear them—that is the way to tell

There is nothing you can buy which you can enjoy buying so much as a Columbia Grafonola—save possibly an automobile.

People who have bought Columbia Grafonolas have done so because they were sure it was a Columbia they wanted.

If you have a doubt as to which type of instrument you want, or what kind of finish you prefer, you will find ample opportunity to decide in any store where Columbia Grafonolas are sold.

With instruments priced at \$18.00 to \$250.00—all before you—all ready to be played to your contentment—you can judge the Grafonola by any test you wish and buy it with the unshaken conviction that you could not have made a better choice.

## K. OF C. CAMPAIGN GOES "OVER THE TOP"

Committee in Charge of Knights of Columbus War Fund Campaign in Morgan County Announce Complete Success—With a Number of Precincts to Hear From the Fund Is Now Over the Amount Asked for—Some of the Contributions Yesterday.

John J. Ferry, chairman of the general committee in charge of the campaign in Morgan county to raise funds for war work by the Knights of Columbus announced Tuesday evening that the campaign had been a complete success.

Despite the bad weather that has

prevailed for the past ten days the solicitors have kept steadily at work and the result has been very gratifying. Altho a number of county precincts have as yet made no reports Mr. Ferry said last night that the returns already in showed that they had gone "over the Top," with flying colors.

It is expected to have a complete report of Morgan county within a few days. The result of the campaign shows again that Jacksonville and Morgan county never fall down when the need requires. The subscriptions:
